NJIT 2017 CALLING !!

After nine successful Summer Research Programmes since 2008 at New Jersey Institute of Technology (NJIT), USA, it is now proposed to send the 10th batch of students in 2017.

The goal of this programme is to provide a meaningful learning and research experience to undergraduate students that will stimulate interest both in seeking a better future, performing research and pursuing higher studies abroad.

This Programme is open to all bonafide 2nd & 3rd Year B Tech students of all Streams (AEIE, BT, CSE, CE, ChE, ECE, IT, ME and EE). In the event of a very large number of applicants, priority may be given to eligible 3rd year students.

In order to know more of this flagship programme of HITK, all bonafide students, who are interested in availing themselves of this special opportunity, are invited to attend an Orientation Programme on **'Opportunities at NJIT'**, on **Thursday, 20th October, 2016, at 03:30 p.m. in AV Room (opposite School auditorium).**

This is a unique opportunity to explore new avenues of learning, meet students of diverse nationalities and gain fresh insights and knowledge
