CIRCULAR

HRIT/0915/292

Date: 06-08-2015

Although ragging has never been much of a problem with us, there is a need for keeping a close vigilance in this regard and, through this Circular, I would like to remind our students the possible consequences of ragging.

Ragging is a social crime. Any type of physical and / or psychological ragging is strictly prohibited within and outside the campus and any student found involved in any form of ragging whatsoever would be summarily expelled from the Institute as per the Anti-Ragging Act of the Government of West Bengal.

Students are reminded that in view of the directive of the Hon’ble Supreme Court of India, AICTE has already issued necessary instructions in terms of which all students and their guardians have submitted affidavits at the time of joining the institutions that they are aware of the consequences of ragging. As per instructions of MHRD, Govt. of India, they MUST also file affidavits online at www.antiragging.in OR www.amanmovement.org. While filling in the form, they would be required to provide ‘Nearest Police Station Name & Address” information which is: ANANDAPUR POLICE STATION, 757, Madurda, Hossainpur, Kolkata – 700107, and obtain 2 (two) hard copies of the same, so that one of the copies might be required to be deposited at the Admin Office, if necessary.

I would, therefore, appeal to all students not to involve themselves in ragging covertly or overtly, “in the name of Interaction”. Anti-Ragging Committee and Anti Ragging Squad have been duly constituted and a Circular has also been issued in this regard. All members of faculty and staff are requested to keep a close vigil over students and to inform the members of the Anti-Ragging Committee and Squad, if any sort of ragging comes to their notice.

Prof.(Dr.) Sambhunath Biswas
Dy. Director
