**LAB WORKS SUBMISSION** 25 Submissions

Due Jul 6, 11:59 PM

Students who fall in either of these categories:  
 a) Can not submit your lab index file  
 and b) Work is incomplete in the ticked register verified during every lab  
 OR c) you feel your work in the lab is insufficient and / or incomplete  
 may submit digital copies of the code (compiled and tested executing).  
 Submit the source code file and executable file.  
 File naming convention:  
 1st lab 1st assignment should have two files named as 1-1.src and 1-1.out  
 corresponding to source code and executable.  
 Similarly 2nd lab, 3rd assignment should have two files 2-3.src, 2-3.out and

These materials are from the course taught in the previous semester. Most of the content should be similar. If something is amiss, refer at your own discretion.

Examination Rules (Answer Script)-

1. Submission Link will be activated 5

minutes prior to your regular Advanced Communication Systems lab slot.

2. Total time duration is two and half hours (From 3 PM to 5.30 PM)

 3. In that submission link, you will find two attachments namely Allocation Sheet & Question paper.

[Stream](#)[Classwork](#)[People](#)[Grades](#)

5. Then go through the Question paper attachment to know about your question.

6. Note down the assigned question and start writing the script.

7. all of you need to attach odd semester admit card with your answer script.

8. Before submission, combine all the pages to your answer script as a single pdf file.

9. Rename the file as <class roll>\_<name>-paper code & submit here.
