Dear Students,

As you prepare for your career beyond Heritage, the importance of performing well in **Aptitude Tests** and **Technical Tests** must have already been recognised by you.

Aptitude Tests are required whether you wish to enter a company (for employment), an educational institute (for further studies - in India or abroad) or a research centre (e.g. BARC). Technical Tests on the relevant subject matter (computer programming, core engineering etc.) are also required in most such cases.

For more than a decade, Ardent has worked closely with The Heritage Group for the IRIS programming, to prepare our Engineering, BCA and other students for such tests as they begin their final year of studies. Given the importance of IT companies in our job market, their training prepares students both in Aptitude Tests (applicable for all situations) and Programming Tests (applicable for IT jobs).

In past years, Ardent instructors have come on campus and conducted training in-person using physical classrooms. In the current pandemic situation, they have come up with a Virtual offering - similar to how they conducted summer training (for those who enrolled with them) - through they promise to provide the same degree of instruction, coaching and hand-holding that they have done in the past.

To help you understand, evaluate, question and finally decide on what they have to offer, Ardent has planned a **free 2-hour virtual interaction session** that I encourage all of you to attend.

Remember - there is a wide choice of training providers out in the market whom you can approach for your own Aptitude / Programming training and practice. Some of you may already be well prepared and don't need any such training. All I ask is that you attend this free session and at least hear them out. The final decision is yours - there is no compulsion whatsoever.

I have pasted below the message from Ardent - please go through it carefully and use the link to register for the free overview session (exact date & time will be confirmed later).

You are also most welcome to call them with questions, although I suggest you first attend their session and then call.

So go ahead and register to find out if this programme will be useful for you.

===== Message from Ardent to HITK students
=====

Dear Student,

Greetings of the Day!

For the last 14 years, we conducted the IRIS program for the students of Heritage Institute of Technology, Kolkata. IRIS enabled thousands of students to fulfill their dreams. Due to COVID-19, this year, we are unable to conduct the classes on the college campus. But with the help of technology we are confident of delivering the entire IRIS program in the same manner we did for the last so many years. On the

positive side, the students will be able to attend the classes from home comfortably.

Aptitude & Technical tests that are conducted during campus placements contain objective type questions and coding problems. So, preparing for such an Aptitude & Technical tests is important . If you practice in advance, you can complete it in the time provided . You don't have to practice hundreds of questions but it is necessary to practice questions of all types and all difficulty levels.

We will help you in solving patterns of various companies like TCS, Capgemini, Tech Mahindra and other companies. You can also avail our online testing platform to practice. Softcopy of the study materials shall be shared. The program shall help you to perform better and get success in campus drive.

We look forward to giving an introductory session on the program. It will be a two hours session.

The highlights of the class:

1. **Quantitative Aptitude & Logical Reasoning**
2. **Coding**

Fill up the form to register for the class: [Registration Link](#)

With Warm Regards,

TO ALL 2019 BATCH STUDENTS **B.TECH, M.TECH & MCA**

Dear Students

INDUSTRY READINESS INTERVENTION SCHEDULE (IRIS)

The Technical and Aptitude training by Ardent is going on and some of you have already completed this successfully.

We have now received the Schedule for the **PERSONALITY GROOMING AND SOFT SKILLS DEVELOPMENT** by Dr. Amitabh Mohan and his team from HLS INDIA. The Schedule is attached. Please note -on all 3 days the dress code is FORMAL.

For every student who is looking for placement in industry it is MANDATORY to attend ALL THE ABOVE TRAINING PROGRAMMES. Please take it seriously and take this opportunity to be well prepared for the oncoming placement process.

Some students have **not as yet made the payment of Rs.500/-** for the training process, and if you have not as yet done so, please make this payment on line as follows :

The payment is to be made online.

- Visit <http://www.heritageit.edu>
- Go to – **TRAINING & PLACEMENT – Soft Skill & Other Training**
- Click on “TPO – IRIS” – then follow the instructions.

Your HOD will be kept informed of these programmes and you will be excused from your regular classes for the days of your training. Your attendance at these training sessions will be sent to your respective HOD **and will be considered as attendance in college on that day.**

Elizabeth Mam

Training & Placement

26th July 2018

P.S. Those students who have already attended the corresponding session for TCS Digital, may ignore this message.

Copy to : HOD – Dear Prof - We look forward to your support in encouraging your students to attend these training programmes. Thank you.
