Hello sir,

Hope you are doing well.
This mail is to inform you of the plans the Students' Council has made to help the people in and around Kolkata during this Covid-19 pandemic.

The entire plan has been laid down in the document attached below.
We request you to provide suggestions and improvements in our plan.

Thanks,
Siddharth Agarwal.

📄 **Heritage Students' Covid Relief Force.pdf**

HERITAGE INSTITUTE OF TECHNOLOGY

HERITAGE STUDENTS' COVID RELIEF FORCE

When the covid-19 pandemic's second wave started it was increasing at an alarming rate. Thus, the students of HITK planned to help the people of West Bengal in this grave situation. A meeting was held in the online platform _ Google meet by the Senior most batch students of HIT,K and later a discussion took place with the 3rd Year students regarding the setup of the " HERITAGE STUDENTS' COVID RELIEF FORCE " to help various people. So we came up with a few ideas . Firstly, we created a Call and Verification Team. Secondly a registration team was created , the members of which will help people to register themselves for the vaccination. Thirdly we planned on setting up an on-field team in various parts of the state who will provide sanitary kits, and necessary things like raw vegetables, fruits to the covid affected families in their own neighborhood. Fourthly we also planned on delivering cooked foods to covid affected families. The graphics and design team controlled all the posters and online handling of the page.

To put this in action we needed a huge volunteer ship from all the college students. Honestly, we were lucky to find that a lot of students from all four years came forward to help us in this noble cause. The first part of our ideas were put into action. The call and verification team was made. It consisted of 51 participants from all the four years. We made an excel sheet containing the contacts of various oxygen suppliers ,RT PCR test centers ,blood plasma collection centres , and hospital phone numbers. 10 people were assigned who would keep a check on the availability of beds and oxygen if required from the required supplier and hospitals every 1 hour and accordingly the excel sheet was updated. The graphics and design team who were handling the social media pages were giving the requirements to the call and verification team and subsequently the team provided the necessary details to the graphics and social media handling team. Another Team was made which collected data and requirements from other sources and forwarded it to the call and verification team. This second team consisted of 105 members who worked tirelessly and collected data for various requirements across the state.

Then we made the Registration team who will help the people to get registered for their vaccination. The team consisted of four people. Through this team a lot of people contacted to get themselves registered in the cowin application. We registered around 30 people for their vaccination in the Cowin App .

The major problem we faced was setting up the on-field team. But again showing our strong will power to help the people we did start helping people with cooked foods and masks and other basic needs. A team was set up in Burdwan by the help of one of our first year students namely SK. rumman who along with his team used to deliver foods to the covid affected families. A couple of second year students namely Bhumika Tewary and Soutri Banerjee along with the help of their parents started to deliver food to the covid families and the poor people living along the roadside who recently have no work due to lockdown. In the last couple of weeks another student from Biotechnology first year namely Someeta Saha has provided cooked foods to the people living around the shobhabazar, bagbazar ghat region. In the recent period our team is working to provide people with vaccine centre locations , where they are set up and how to reach there.

The entire working committee consisted of 215 people from the college who worked from 8 am in the morning to 2am the next day to provide services to the people.We would like to thank our college authorities who gave us the chance to perform this noble task. We would also like to mention about our amazing first years students who although have not attended offline lectures but have coordinated very well with us to do our job.
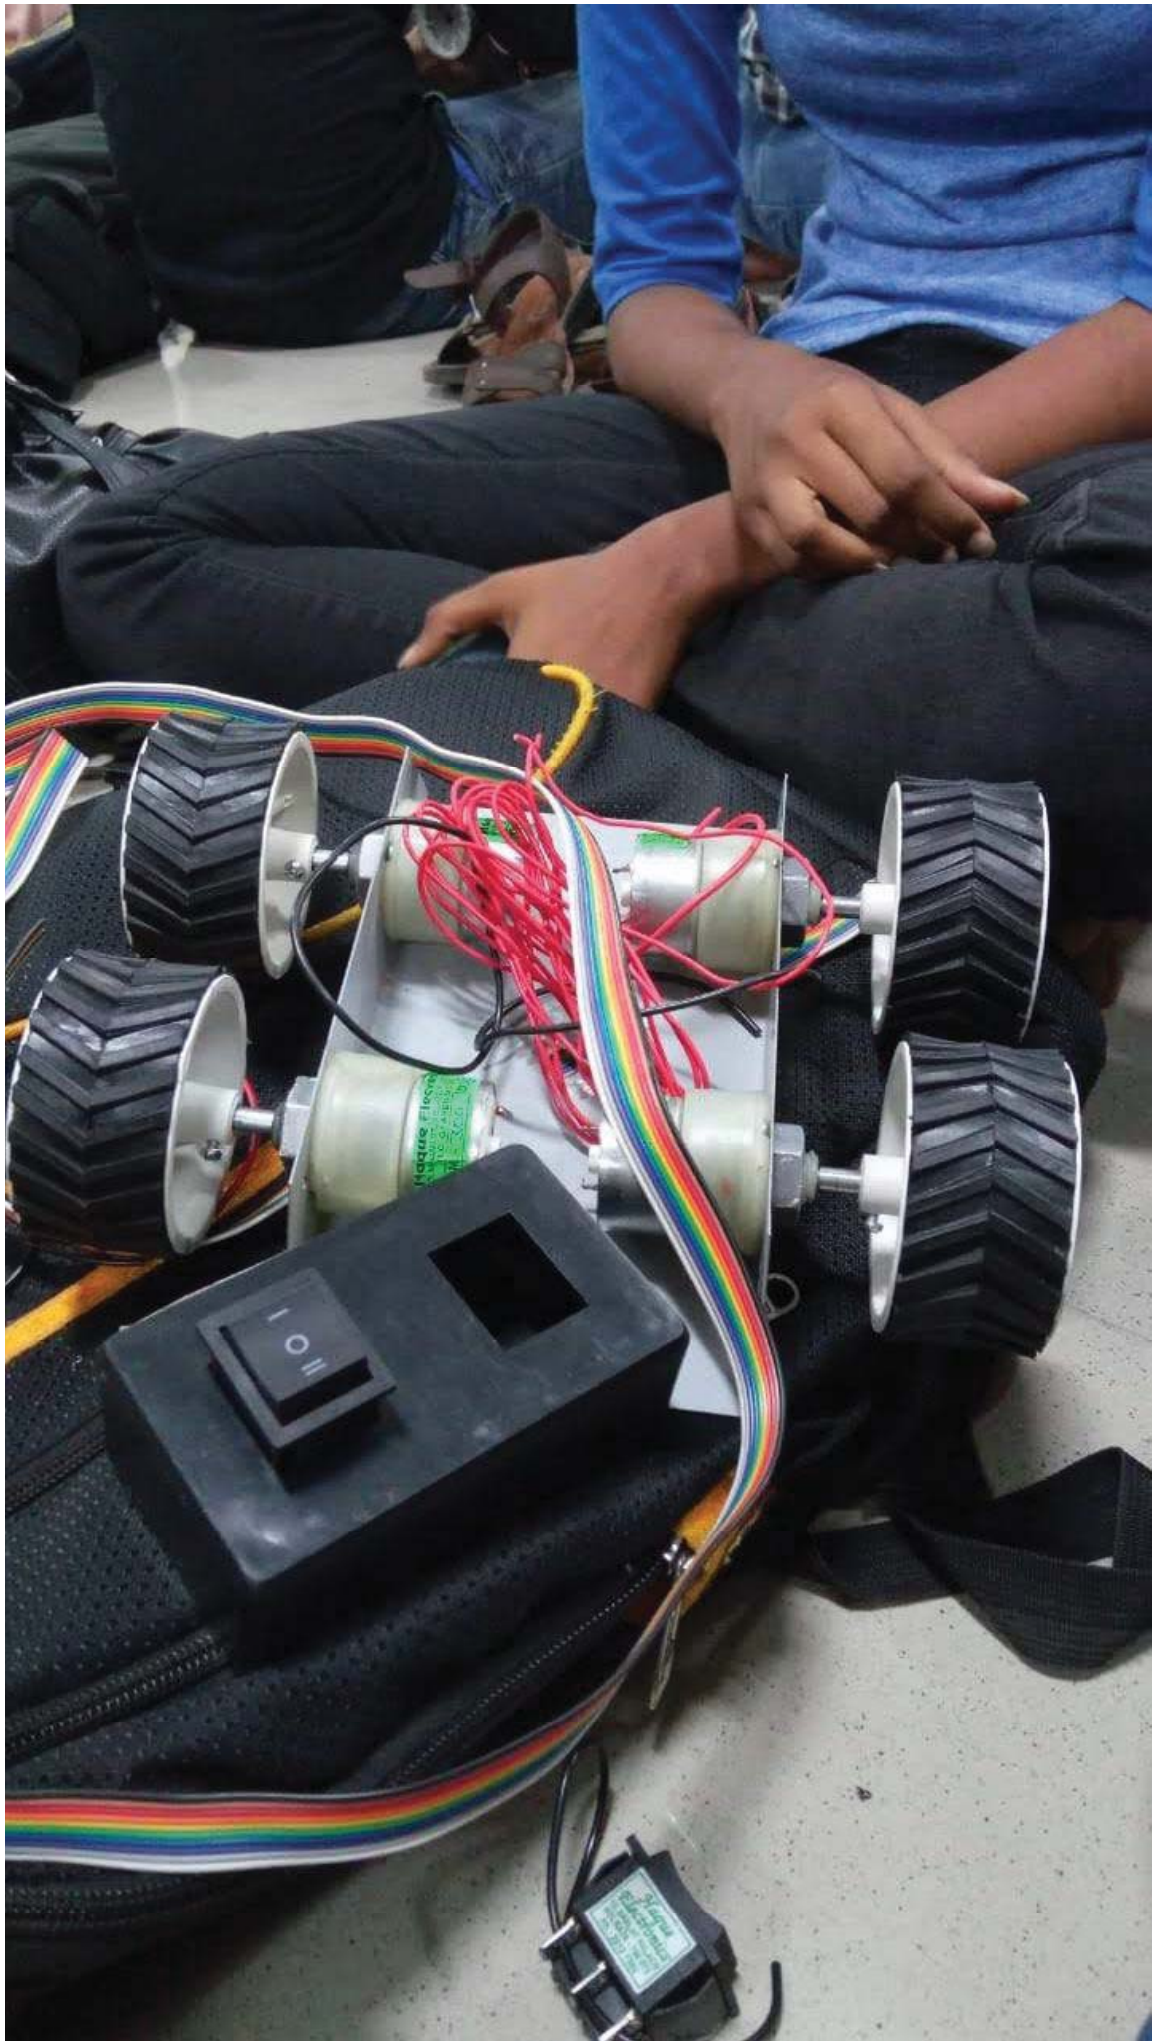

HERITAGE DEBSOC PRESENTS

CROSSVOX'21

THE DISCOVERY DEBATE OF NEW TALENT

2ND, OCTOBER

9:30 A.M.

Event Name: Happy Tails
Event Date: 28th November 2021
No. Of Rotaractors: 15

Project details:

Rotaract Club of Heritage Institute of Technology organized 'Happy Tails', a visit to the animal shelter and hospital- Ashari, to spend a day with our pawed friends.

Upon reaching the destination, the members were divided into groups and were briefed about the various activities for the day such as cleaning the cages, rooms, food bowls, refill water at the cat and dog shelters under professional supervision. The experts talked about how to take care of cats and explained the process of giving saline to dogs. One of the groups was taken to the trauma ward where they learned about cases of animal abuse. The doctor shed some light on treatment procedures and explained about other infections and maggots. Under professional guidance, Rotaractors helped to clean the wounds of the injured and applied medications onto them. Lastly, our team stopped by the stable to pay a visit to the cows and buffaloes.

After all the petting and playing with the lovely and purest souls, it was time for us to leave. All the dogs escorted us to the exit with wagging tails and presumably smiles on their faces.

Photos from the Event:

Event Name: Roshni
Event Date: 5th September, 2021
No. Of Rotaractors: 8

Project Details:
On the prospect of Teachers' Day, RC-HITK visited the students of APS School to build a bond between the students and teachers.
The children were divided into several small groups based on their age to participate in various interactive and fun games like Dumb Charades and Pictionary with the Rotaractors. The games made the Rotaractors relive their days of childhood and the kids were delighted to be back in a classroom after such a long time. The students surprised our Rotaractors by bringing them small gifts. After the completion of the games round, dry food packets of biscuits and chocolates sponsored by our parent rotary club, Rotary Club of Calcutta Mahanagar, were distributed to 99 students of APS School. The entire event was carried out maintaining COVID-19 protocols and it left wide smiles on everyone's faces .

The e-newsletter of N.S.S, HIT(K)

Dear Readers,

A warm welcome to the very first edition of the NSS-HIT(K) e-newsletter.
The past month has presented us with a plethora of myriad experiences. From NSS-HIT(K)'s first street play, to spending a wonderful afternoon flying kites, it has been a pretty eventful journey, to say the least. And today, we aim to share with you peeks and glimpses into the life and journey of our NSS Unit.
Read on …. Explore ….
see what
"*Not Me, But You*" stands for.

– Mr. Clayton M. Moses,
Mentor & Advisor,
NSS-HIT(K)

"Her Smile Made Our Day"

On the **18th of January**, a group of ten volunteers from NSS-HIT(K) visited the **Alor Disha Oldage Home** in Patuli, and spent a few hours interacting with the elderly residents of the establishment. It was a humbling experience for all of us, something that we will cherish and remember in the upcoming days.

"Let them Fly"

On the same day, several NSS members congregated on the College grounds to design and fly kites as part of a fun activity designed for team-building and recreation. Friendly competition ensued as our kites finally took to the skies. At the end of the day, four winners were selected, and appropriately rewarded for their skills. Overall, it was quite an exciting experience for us.

"Cleanliness is next to Godliness"

23rd of January: On the auspicious occasion of Netaji's birthday, we went to **Paschim Chowbaga Free Primary School**. Here we started the day by hoisting the National Flag. Next, we taught the children about Netaji and made them aware of the importance of cleanliness. We organized a drawing competition and a fun game for the kids. At last we distributed chocolates to the kids. All in all, it was a great fun day with these amazingly talented kids.

"Save the Girl Child"

On the **25th of January**, 2020, NSS-HIT(K) added a new achievement to its roster. Our first street play, organized and enacted by our own members. It was organized to commemorate the National Girl Child Day, celebrated on the 24th of January. We performed twice, once in the **Chowbaga** village area in front of all the local folk, and then in the **Chowbaga Primary School**, in front of all the students. At the end of the day, weary, hungry, exhausted, and yet dancing in joy, the NSS team walked back, rejoicing among ourselves that our efforts had not been in vain, that this was in fact, not just one play, but the start of a new journey, a near future in which NSS-HIT(K) would have several such performances coming up. It was a memorable and vibrant experience.

"*Happiness does not result from what we get, but from what we give*". When we give cheerfully and except gratefully, everyone is blessed. This is something we realised as we donated winter clothes to older people, needy women & kids in the **Park Street** area from the **15th to the 29th of January**. The kids were delighted and the smile on the face of the people made us feel blessed. We made sure that none in our sight left unhappy. It good to be blessed but it's better to be a blessing. Once, you do it, you are committed to sharing. This event brought great joy and happiness to everyone and, ended on a happy note.

"Do we respect our National Flag ?"

We are all familiar with the nation-wide adrenaline boost of patriotism on **26th January**. However, this patriotism doesn't last long and we can see our national flag lying here and there. So NSS-HIT(K) volunteers took the initiative to collect all the discarded flags from roads, drains etc in the areas like **Ruby, Kalikapur, Hussainpur, Anandapur** and other nearby areas for disposing them with respect and in an acceptable manner.

"Play and Learn"

NSS-HIT(K) was invited to "The Annual Sports" of **Tagore Foundation School**. The event started with a rally by the students of The Tagore Foundation School and after the inauguration of the national flag the sports event started. The local police officers were also present in this event. NSS-HIT(K) members assisted in the smooth running of the event, with many joining the school volunteers in conducting the different activities and managing them properly. It was an enriching experience, having reminded many of us of our childhood days. The event took place on the **26th of January.**

E-NEWSLETTER OF ROTARACT CLUB OF HERITAGE INSTITUTE OF TECHNOLOGY, KOLKATA

July '20 - Jan '21

Foreword

"None of us ever find enough kindness in the world, do we?"
When I came across this line in Donna Tartt's The Goldfinch, it captivated me with its simple honesty. If there is anything that connects us in this severe world of material hierarchies, it is the fundamental desire to be treated with kindness. And to be kind is to care, to ensure empathy for the ones who need our kindness most.

The past few months have been tumultuous in their stillness, and RC-HITK has seen a drastic change in the mode of serving the society. Many a times, I have felt disheartened and idle, but the determination of each and every Rotaractor around me, to do good in spite of a plethora of barriers, has lifted my spirits every time. They are the ones who reinforce my belief that no effort is small or in vain. That, I think, is one of my greatest earnings from this club and this movement - to be surrounded by people who act out of a simple desire to be kind to others and to each other. They make me believe in a light at the end of the tunnel, for when all is said and done, they will be the ones who have the caring hearts and the empathetic minds to build a better world, one act of kindness at a time.

This newsletter, covering the first seven months of this term has seen no dearth in efforts from our Editorial team, and I hope these chronicles succeed in being a small beacon of hope to everyone who reads them, as they have been to me. Happy Rotaracting!

Rtr. Malisa Ghosh

7th July, 2020

Webinar on Stem Cell Donation

In collaboration with DKMS BMST (organization fighting against blood cancer), RC-HITK organized a stem cell donation awareness initiative. Rotaractors initiated a week-long social media campaign to educate the masses about blood cancer and its treatment. Following this, a webinar was organized where speakers from DKMS BMST talked extensively about every aspect of stem cell donation. The session helped the participants have a magnified view of the issue. It was immensely informative and all the attendees were now set forth to register themselves as potential donors and work further for the cause. The concept of stem cell donation needs urgent attention and the event had high hopes attached to it.

Scribblers Session

Scribblers is the wing of RC-HITK where singers, poets, story-tellers, comedians and other such talents share a common platform to celebrate their passion. The first Scribblers session of the term had a special aspect where every participant shared with everyone one such poet/author whom they admired. Rotaractors used the vibrant hours to reflect their musings through shayaris and poetry. Comics added to the fun with their jovial acts. The session concluded with a beautiful singing performance which was joined in by all the participants. The first Scribblers episode gave an energetic kickstart for the performers as well as the audience.

22nd July, 2020

23rd July, 2020

Confer

Societal gender-stereotypes have subtly crept into the very thought process of our generation. Observing these, RC-HITK organized a conversational session where such stereotypes were brought up and discussed thoroughly. Participants of both the genders sent in questions anonymously which were then asked to the opposite gender. Topics such as gender norms and roles, menstruation, stereotypical jokes, feminism, sexual violence, discrimination against gender and hegemonic masculinity were brought into light. We had constructive talks over each issue in detail. A variety of perspectives let everyone address their deep-rooted ideas of gender roles and behaviors in society. Sessions like these are essential for the overall development of young minds.

1

Samvaad

The club assembly of RC-HITK, 'Samvaad', kickstarted our fresh board members into the new term. All the members of the assembly introduced themselves. They talked about their added responsibilities and their vision for the coming months. Our Teacher-In-Charge, Mr. Clayton M. Moses, then addressed the assembly and talked us through the problems we may face and how we should approach those challenges. The senior members briefed everyone about the technical aspects of the club's internal machinery. Samvaad helped the participants grasp their roles in the larger picture of the organization and hence acted as a lubricant for smoother club functioning.

25th July, 2020

YAAR Session

RC-HITK organizes YAAR (Young Autistic Adults Recreation) sessions where we cherish the bonds we have with our very special friends. Our club collaborates with Autism Society West Bengal to spend some time with these talented lives who need very special attention. The first YAAR session of the term was themed 'A Date With R. D. Burman' to celebrate the legendary singer's belated birthday. Rotaractors played fun games like 'Freeze Dance' and 'Musical Charades' on an online video conferencing application. Rotaractors and their special friends had a jovial time singing and dancing to beautiful melodies. Another session filled with love and warmth replenished our unique bonding with these lovely souls.

Remembering the musical legend R.D. Burman on his birth anniversary. His music eternally lives in our hearts and playlist.

Emotions
R. D. BURMAN

25th July, 2020

Aashiyana

We all are often disheartened by the condition of stray animals. With the motivation to help these innocent lives, we launched an animal welfare initiative-'Aashiyana'. This was a webinar where RC-HITK collaborated with Ashari PFA, Kolkata: an animal shelter cum hospital. Members of Ashari helped us learn about the whole scenario. Protocols like sterilization and welfare concepts like Passive Adoption, single parenting and co-parenting were discussed which were very new for most of the participants. We learned about the work of the organization in the field and how we could help the cause. The thoroughly informative session was one of a kind and sparked new hopes and aspirations in the minds of all the animal lovers.

30th July, 2020

August, 2020

Concordia

Rotaract Club of Heritage Institute of Technology organized 'Concordia', to celebrate Friendship Day. The event started with a game where the the participants had to recognize their fellow members by seeing their childhood pictures. This game was followed by a round of Tambola which was on the same theme. Participants were given friendship-themed songs to sing on scoring points in the game. This lively event helped the members to strengthen the beautiful bonds they share and everyone had a gala time.

8th August, 2020

Independence Day with Shishya

On the occasion of Independence Day, Rotaractors took up this initiative to conduct the celebrations with their students back at Shishya. Multiple games along with dance and singing performances, all through online video conferencing, helped us preserve the long tradition of teacher-student interaction on Independence Day.

15th August, 2020

Mind Over Matter

RC-HITK conducted an online Mental Health Awareness session. Ms. Mehr Lungani, a Counselling Psychologist, Clinical Hypnotherapist and therapeutic movement facilitator, was our guest speaker for the event. Different aspects of mental health, warning signs and symptoms of mental illness were explained through PowerPoint presentations. The session ended with a Q&A round where members asked their questions anonymously and Ms. Mehr discussed each of them elaborately.

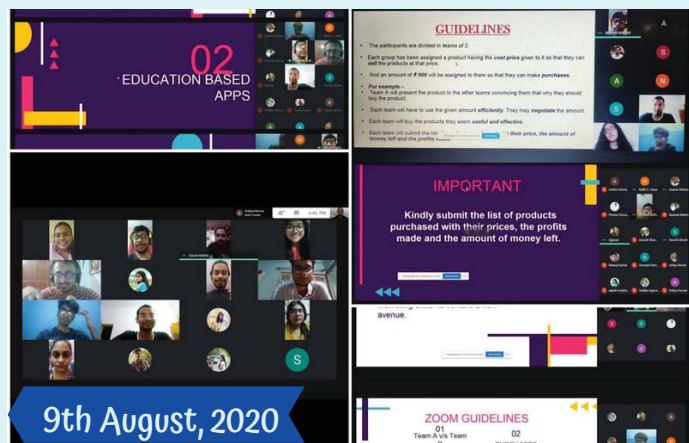

29th August, 2020

Createract

8th August, 2020

The members of Rotaract Club of Heritage Institute of Technology came together for a Createract session on the theme of 'World Nature Conservation Day'. In the session, members used colourful newspaper strips to prepare bookmarks and mats by intertwining them together. The session helped to explore the creative side of each of the participants. Rotaractors had a beautiful time interacting and making these bookmarks and mats.
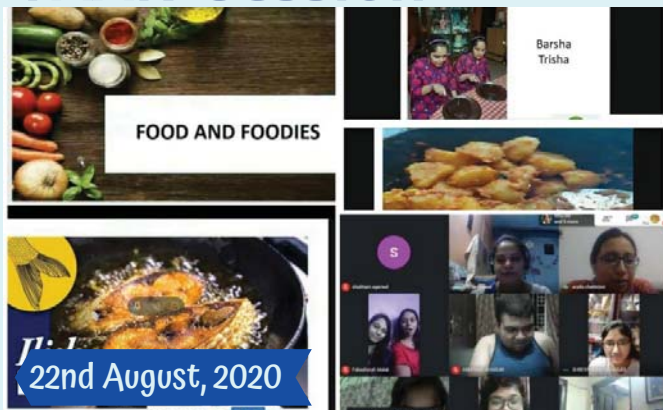

Melange

Melange was an online event organised by RC-HITK, in which thirty six clubs from seven different countries participated, to tell everyone about their state and regional specialities - including its heritage, monuments, cuisine and culture. Clubs from different states and countries gave small presentations on their cultures and their states. In between the presentations, we also had a game of 'Tambola'. The event connected us with Rotaractors from around the globe and built a stronger bond with them.

30th August, 2020

Brand It Up

9th August, 2020

'Brand It Up' was an event conducted to sharpen marketing and negotiation skills of Rotaractors. The participants were teamed into groups of two and assigned online applications like 'WhatsApp', 'Amazon', 'Facebook', etc. with their cost price, which they would later try to sell to the other teams. The whole event was set up to create an atmosphere of a virtual market where participants would negotiate and compete with their rivals. The event was very dynamic in its structure and Rotaractors had an enriching experience in the field of marketing.

YAAR Session

22nd August, 2020

RC-HITK, in association with Autism Society West Bengal, conducted the latest online YAAR Session on the theme 'Food and Foodies'. Participants spoke about their favourite dishes and food preferences. Our special friends had a lot of fun throughout the session and some even entertained us with their creative music skills. With this session, a new aspect was explored and participants had a merry evening in this ongoing pandemic situation.
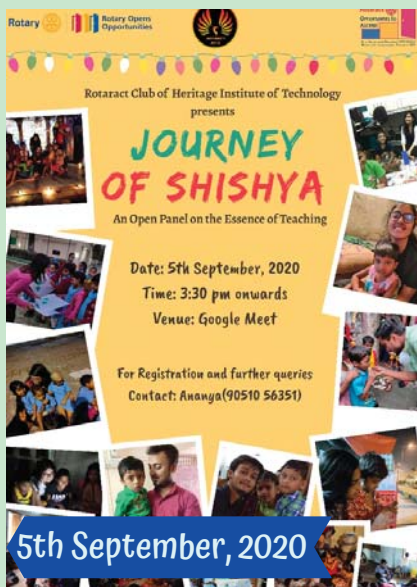

September, 2020

Cancer and You

'Cancer and You' was a cancer-awareness session organized by RC-HITK in collaboration with RC-MSIT. Ms. Sutapa Biswas, Co-Founder and Executive Director, Cancer Foundation of India, was our guest speaker for this event, hosted on an online video conferencing application. Ms. Biswas elaborately explained various lifestyle changes that may help prevent cancer. With growing number of cancer cases in India and worldwide, largely due to the consumption of tobacco and alcohol, it is becoming increasingly necessary to conduct such sessions.

6th September, 2020

Journey of Shishya

5th September, 2020

On the occasion of Teacher's Day, Rotaract Club of Heritage Institute of Technology reminisced about the golden initial days of our club's literacy venture, Shishya, with some of its very first figures and past teachers. A learning experience for the young Rotaractors, 'Journey of Shishya' was basically a discussion panel on the essence of teaching and the challenges faced on the way. Beautiful videos were compiled with Rotaractors sharing their experiences and candid moments clicked in the past. The session ended with us making memories and learning stories of the past, the present and dreams of the future.

Pixelate

RC-HITK organized an interactive workshop on Graphic Designing, where different tools and features of Photoshop and Canva were thoroughly explained to the Rotaractors. The session was extremely audience friendly, and was aimed at giving a deeper understanding on the proper usage of these applications for novice learners. The session ended with a Q&A round to clear further doubts of the participants.

19th September, 2020

5

Happy Tails (Phase-1)

27th September, 2020

Animals can't speak the language of humans, hence their cries of pain go unheard. The members of RC-HITK organized a discussion session on the various measures one can take to prevent animal cruelty. A case study was presented to the Rotaractors on animal cruelty and everybody came up with various methods to tackle it. Different laws for Prevention of Cruelty towards Animals and effective measures to help animals during the ongoing pandemic situation were also addressed at the end of the session.

YAAR Session

In collaboration with Autism Society West Bengal, RC-HITK conducted an online YAAR session themed 'Pujor Gondho ar Ghure Dekha'. Our special friends shared with everyone their favourite travel destinations and we also talked about various Puja celebrations. We ended the session with a beautiful song and tonnes of sweet memories.

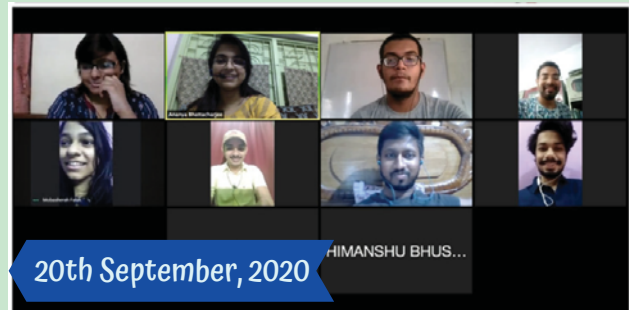

26th September, 2020

Scribblers

This month, RC-HITK conducted its 'Scribblers' session online on the theme of 'World River Day'. The participants were given the prompt of 'river' for their original works. It was a beautiful session with a variety of talented people performing and as always, the audience was mesmerized by beautiful poems and songs.

20th September, 2020

Sayannya

Rotaract Club of Heritage Institute of Technology took a ration donation initiative for the residents of Sayannya Old Age Home. With the motivation to provide the essential dietary needs of the elderly residents, Rotaractors procured for them ration which included rice, dal, biscuits, suji, sattu and puffed rice. This small help from us brought bright smiles on the faces of Sayannya residents and in turn we felt the joy of fulfillment in our hearts. We are eagerly waiting to visit them again and spend some time with these beautiful souls.

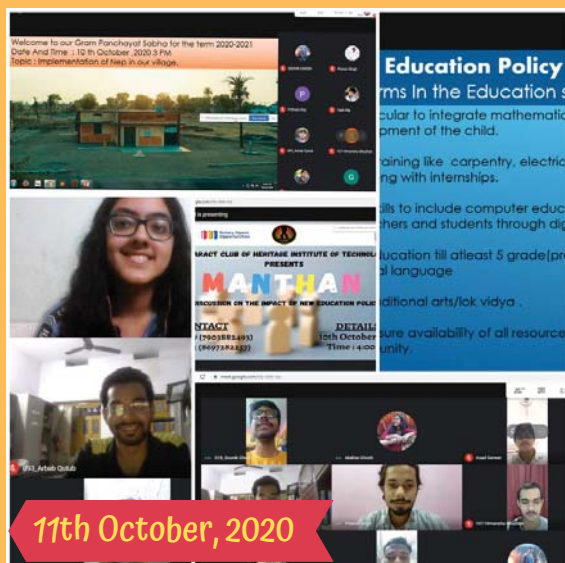

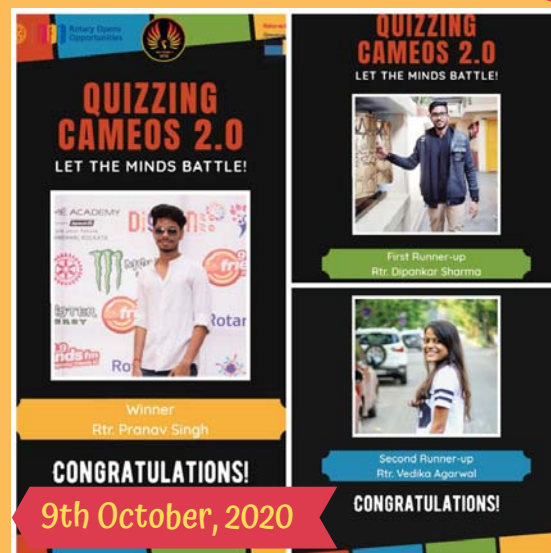

26th September, 2020

Happy Tails-Phase 2

Rotaract Club of Heritage Institute of Technology conducted the second phase of its animal welfare initiative, Happy Tails. In this phase, a drive was organized in which Rotaractors from across the country as well as non-Rotaractors clicked pictures of them doing something for the stray animals. The event lasted for a week and concluded with showcasing of entries on social media platforms. The drive was done in celebration of World Animal Day. The main motive to conduct this drive was to build a habit of helping the stray animals on a personal level.

9th October, 2020

Manthan Session

In the latest Manthan session, members of RC-HITK closely studied the much talked about National Education Policy. Rotaractors tried to understand the prospects of the reformative policy with the help of tasks. Participants were asked to prepare a suitable budget to implement the reforms while defending particular areas of focus assigned to them. The session helped in looking through varied perspectives while dealing with real life situations that may arise in the field of education.

11th October, 2020

Avowal

RC-HITK organized 'Avowal', a club service event to receive opinions, feedback and suggestions regarding the ongoing club functioning. Members were given Google forms to submit their reviews anonymously. The discussions were followed by a fun game of 'Taboo' which ended the event on a happy note.

4th October, 2020

Breast Cancer Awareness

RC-HITK organized an online awareness drive on breast cancer on the theme "Life with and beyond cancer", where participants got to explore their creative sides by creating posters, artworks and write-ups on the given topic. The second phase consisted of a webinar in collaboration with Ms. Sutapa Biswas (co-founder and executive director of Cancer Foundation of India) exclusively for girls, where she discussed early symptoms, treatment procedures and self detection methods for combating breast cancer.

12th October, 2020

Sentience

Rotaract Club of Heritage Institute Technology organized 'Sentience', a discussion session to identify the root causes of gender-related crimes and come up with effective solutions to fight against the issue. Rotaractors analyzed different case studies and tried to answer fundamental questions regarding such crimes. The event also gave an opportunity for fellow members to anonymously share their personal experiences which they had faced at some point of time in their lives due to the existing societal scenario.

17th October, 2020

Pujor Chhonde

RC-HITK organized an online event 'Pujor Chhonde', to celebrate the essence of Durga Pujo and Navratri with the members. The event started with briefing everyone about the cultures and festivities followed by light hearted games like 'Let's go Pandal Hopping', 'Crossword' and 'Guess the Lie' on the same theme. Everyone enjoyed a lot and the event helped to restore pujo vibes even in these testing times.

21st October, 2020

# November, 2020

7th November, 2020

Unpuzzle

"Brilliant things happen in calm minds. Be calm, you're brilliant." RC-HITK organized "Unpuzzle", a meditation session conducted by Ms. Pallavi Mohoni, an entrepreneur and volunteer with The Art Of Living Foundation. It was an interactive event where participants shared their day-to-day difficulties with stress, anxiety, pressure, etc. and our guest speaker explained how controlled breathing can help us to control our emotions. The event ended with a meditation round which left all the participants with a relaxed and peaceful mind.

Createract Session

Createract is a Professional Development wing of RC-HITK. The idea of Createract sessions is to let Rotaractors explore their innovative and creative skills. With Diwali around the corner, the second session of the term was based on decorations. This time, Rotaractors learnt to make a candle holder and a wall hanging diya origami. Rotaractors used homemade clay to make the candle holder and colourful papers they already had to make origami diyas. The session came to an end with everyone showing their finished decorations along with wishing everyone a happy, safe and a firecrackers free Diwali.

13th November, 2020

9

In collaboration with the Autism Society West Bengal, Rotaract Club of Heritage Institute of Technology conducts 'YAAR' sessions to create a bond with their autistic friends. The theme of this YAAR session was 'Diwali Celebrations' and Rotaractors spent the evening spreading happiness of the festival of lights amongst members. The session started with all the participants introducing themselves and wishing "Happy Diwali'. Participants played multiple fun and interactive games. We also played songs and everyone danced to the cheerful music. The participants had a great time, sharing warmth and love with their special friends.

21st November, 2020

YAAR Session

Scribblers Session

Scribblers is a wing of RC-HITK which provides a platform to all those artists or budding artists who love to sing, rant poetries, write stories and perform standup comedy. The latest episode of Scribblers was held online and Rotaractors as well as past Rotaractors recited their beautiful poetries making the audience deeply involved in them. The audience also witnessed a mesmerizing singing performance by our fellow Rotaractor. The session was thoroughly enjoyed by all the fresh artists and acted like therapy amidst our hectic schedules.

29th November, 2020

Kaleidoscope

RC-HITK conducted "Kaleidoscope", a discussion session aimed at tackling homophobic/biphobic/transphobic comments and slurs to destigmatize the wide spectrum of sexuality. Participants shared their experiences of homophobia through a Google form and the discussion continued accordingly. The event ended with a brief overview of the LGBTQIA+ community through a PowerPoint presentation. Rotaractors indulged in active participation and took back something useful to create a safe space for everyone.

22nd November, 2020

December, 2020

AIDS webinar

Rotaract Club of Heritage Institute of Technology organized an AIDS awareness webinar preceded by a social media campaign to create awareness about HIV and AIDS. Guest speakers Souvik Ghosh and Sudha Jha, prominent personalities working in the field from the SAATHI organization, shed enormous light on the topic and helped participants gain detailed insights into the disease.

5th December, 2020

YAAR Session

The last YAAR session of the year 2020 was conducted on the theme "Christmas and New Year". Members of RC-HITK as well as our autistic friends at YAAR had prepared digital greeting cards for each other which they enthusiastically shared during the session. Everyone sang and danced, and ended the year on a joyful note.

26th December, 2020

Uphaar

Uphaar was a dry food packet donation drive organized by RC-HITK in collaboration with Kolkata Ahana Foundation. Members of RC-HITK reached the premises of the foundation with packed food items where all the children had already gathered in queues. Club members along with participants from Ahana Foundation met all the children and distributed biscuits, cakes, chips and snacks among all the eager children. We wished them "Happy New Year" for the upcoming year and bid them farewell. The beaming faces of the young kids ended the year on a positive note.

31st December, 2020

JANUARY, 2021

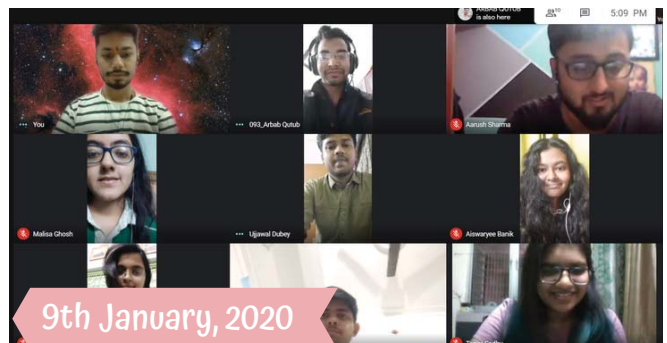

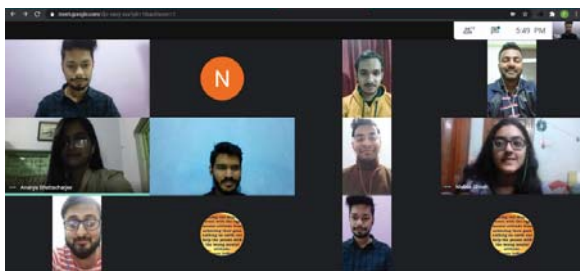

2nd January, 2020

PAHEL

RC-HITK organized a Covid essentials distribution drive to donate sanitizers, masks and hair caps to the students of their literacy wing, Shishya. Sanitizers were also provided by Rotaract Club Of Chandannagar and Rotaract Club Of Serampore as a part of their event "Adyashakti". Rotaractors went to six Shishya centers to distribute the protective gear and spent a wholesome day with the students. All necessary safety norms were followed during the distribution process and the children were educated on the proper use of the given items.

SAVE THE DROP

"You only realize the value of something when it's gone". RC-HITK organized an online interactive discussion session, "Save The Drop" to analyze the problems leading to water crisis and come to feasible solutions. The first half of the session dealt with a brief overview of water crisis, which helped participants to give proper arguments to the case study presented to them in the second and final half. Everyone was assigned specific roles such as the ward councillor, healthcare officer, tax officer, etc. for a refined and realistic response. Finally, practical solutions were discussed to keep the said problem at bay. Rotaractors were able to get a closer look at elementary problems like water crisis through this session.

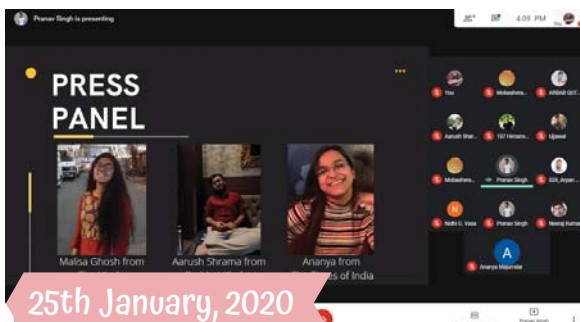

9th January, 2020

MOCK PRESS

Rotaractors came together to organize the first online edition of its professional development event 'Mock Press'. For this event, everyone was assigned roles of famous personalities and were asked to analyze their intellectual stands as well as behavioral traits. Later, a panel playing the role of press questioned and assessed the participants for their performances and quality of answers.
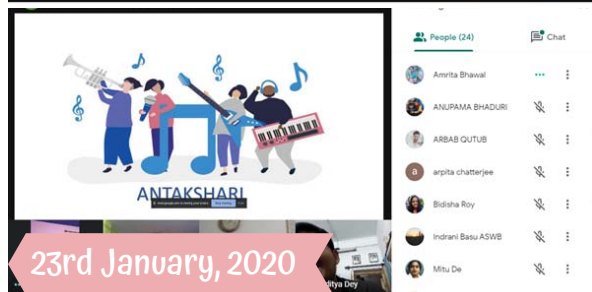

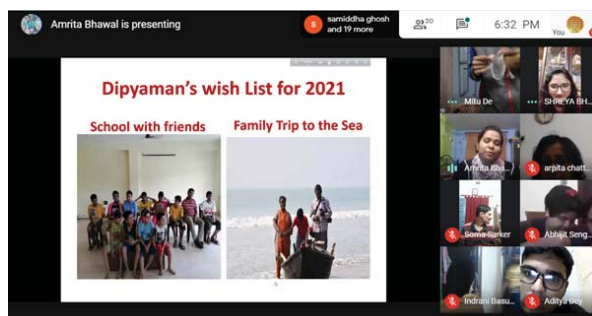

The event was not only a fun format for the Rotaractors but also catered to their critical thinking skills.

25th January, 2020

YAAR SESSION

The first YAAR session of 2021 was conducted online on the theme of 'New Year Celebrations'. Everyone had extensive travel plans for their resolutions and some of the participants even shared photos of their previous travels. After everyone shared their plans for the upcoming year, we played a round of Antakshari.

Our cheerful friends danced and sang along, and the session marked a rejuvenating start to the new year. The session ended with everyone bidding adieu until next time, in the hope to meet soon.

23rd January, 2020

REPUBLIC DAY AT SHISHYA

On the occasion of Republic Day, RC-HITK took part in the celebrations at various Shishya Centres. Rotaractors visited the centres at Chowbaga, Chingrighata and Kalighat, joined in the ongoing programs, and conducted several activities to add to the celebrations. Students joyously hoisted the flag and sang patriotic songs. Along with this, Rotaractors distributed sweets and played several fun games with the children.

Our humble and reverential rendition to The World Poet, our beloved Rabindranath Tagore on Rabindra Jayanti, his 159th birth anniversary from The Literary Club and Resonance of Heritage Institute Of Technology.

Script & Narration - Shourya & Rhidd... See more

Our humble and reverential rendition to The World Poet, our beloved Rabindranath Tagore on Rabindra Jayanti, his 159 th birth anniversary from 'The Literary club' and 'Resonance' of Heritage Institute Of Technology.

The President,   Dated - 30/08/20
Students' Council,
Heritage Institute of Technology, Kolkata

Respected Sir,

        We the Executive Committee of the Students' Council would like to bring into your notice that we have decided to start a few workshops for the students.

Sir, since you know that the placement season has started for the current fourth year students of our college and that most of companies hire by testing a student's coding and aptitude skills, so we have decided to start:

1. <u>A coding workshop for the students</u> - It would be a 2-3 days workshop free for all HIT-K students. The instructor would be a student of HIT-K itself. We would hold the workshop on a digital platform like 'Google Meet' or 'Zoom'. We have started to find student-instructors to organise this workshop.

2. <u>A CV building workshop</u> - This would be a follow-up for the coding workshop. This would be a 1 hour workshop where students would be taught how to create a good resume. The instructor would be a pass out of our college.

We believe that these two workshops might provide the students some pace in their preparation for placements. All the students attending the workshop shall be <u>provided with a certificate, we can take help from the college to create a registration portal for us, so that it would be easy for us to keep track.</u>

We hope that you approve and accept this idea of ours and also bring this idea into the notice of the college authorities.

Thanking you,
The Executive Committee,
Students' Council.

The Students' Council of Heritage Institute of Technology was formed on 20th January 2020 and has since its inception ignited a fire in all students of the institute to come forward and make a difference in whatever way they can.

The flurry of activities kicked off with *NASCENT* where we witnessed the first years putting on a delightful show both on the stage and the fields before topping off the Fresher's welcome with a DJ night that certainly got everyone on their feet. Soon after, the *Heritage Parliamentary Debate* and the *Heritage Quiz Festival* followed where colleges from all over the country came in to participate in what turned out to be a weekend of delicately made arguments and well worked out answers.

All was going according to the Council's plan and preparations for the mega event, our college fest *Eclecia*, were in full swing when suddenly the Coronavirus hit, and locked away all the hard work. Although it was difficult to fathom that we would have to do 2020 without the fest, the Council did not lose hope and instead chalked out plans for virtual events with the help of various clubs of the college to keep the students engaged, happy and their enthusiasm burning!

The Council's vanilla virtual event was the *Creative Qua-Run-Time* where competitions were held for acting, script writing, creative writing, recitation, digital art, coding, dance, singing and fashion and saw an overwhelming response. Anubhav and the Literary club showcased their artworks and write ups before the latter released its *e-magazine* and the former organised *AHOBAAN*, its virtual theatre festival. The council associated with DSC-HIT and Crio.Do to organise a valuable *workshop*, and with EDIC to mobilize the *Wolf of Wall Street* competition too. In the following months, the Students' Council took up an initiative, Bhalo Theko Kolkata, to spread post COVID awareness, helping those suffering and in need.

The Council wished and celebrated our teacher's on their special day by means of a video collaboration with contributions by a number of students and finally, on the auspicious occasion of Durga Puja, orchestrated *PRATHAMA* like every other year, only virtually.

Throughout its tenure, the Council constantly strived to provide exposure and a platform for the students of Heritage Institute of Technology to explore, express and develop their inherent talents while making the most of their college life with a hint of competitiveness and even though we could not do all the big things planned, the Council engineered ways to spread smiles and keep up the good work in the toughest of times.

The following list includes the details of all the clubwise events which were held in the tenure of the council:

1. **Creative Qua-run-time**

   Clubwise Participation :

   1)Anubhav -
   - 17 students for mono acting
   - 12 students for script writing
   - duration of submission : 31st March 2020 - 15th April 2020

   2)Pravasana -
   - 25 students for Online digital art competition
   - duration of submission : 4th April 2020 to 11th April 2020

   3)Literary Club -
   - Participants for Creativo - 28
   - Participants for Audibilité - 22
   - duration : 5th April-20th April (for submissions)

   4)Resonance -
   - Total number of participants - 54
   - duration : 1st April 2020 - 1st May 2020

   5)Geeks United -
   - Coding Qua-run-time Online Competition on 5th April, 2020

   6)Ghungroo -
   - total of 45 participants for eastern and western category
   - (March 29th-April 20th for submissions)

   7)Heritage Fashion Club(HFC) -
   - Total participants - 4
   - duration of submission 1st April 2020 - 15th April 2020

2. **Associated with DSC-HIT and Crio.Do** in organising a workshop from 6th-10th April, 2020.

3. **Associated with EDIC in organising a competition** - Wolf of Wall Street from 8th - 15th April, 2020.

4. **Showcasing of artwork and write up by Anubhav** from 27th March 2020 - 2nd May 2020

5. **Showcasing of artwork and write up by Literary club** from 24th March 2020 - 26th March 2020

6. **Teachers' Day celebration** :
   Date of submission : 2nd - 5th September, 2020
   Participants club wise:
   Anubhav and Literary club - 6
   Ghungroo - 5
   Resonance - 5
   Pravasana - 6

Starting a workshop on Coding for placement preparation

hitkstudents council <hitkstudentscouncil@heritageit.edu.in>   Sun, Aug 30, 2020 at 7:25 PM
To: sandip.chatterjee@heritageit.edu

Respected sir,

This is Siddharth Agarwal, General Secretary, writing this mail for the Executive Committee of the Students' Council.
I would like to inform you that we have decided to do a few workshops for helping the students of our college prepare better for the upcoming placements.
I have attached all the details of the events we plan to do in the document below.

Kindly look at it and approve our request.

Thanks,

Siddharth Agarwal,
General Secretary,
Students' Council - HIT-K

The e-newsletter of N.S.S, HIT(K)

Dear Readers,

A warm welcome to the very first edition of the NSS-HIT(K) e-newsletter.
The past month has presented us with a plethora of myriad experiences. From NSS-HIT(K)'s first street play, to spending a wonderful afternoon flying kites, it has been a pretty eventful journey, to say the least. And today, we aim to share with you peeks and glimpses into the life and journey of our NSS Unit.
Read on …. Explore ….
see what
"*Not Me, But You*" stands for.

– Mr. Clayton M. Moses,
Mentor & Advisor,
NSS-HIT(K)

"Her Smile Made Our Day"

On the **18th of January**, a group of ten volunteers from NSS-HIT(K) visited the **Alor Disha Oldage Home** in Patuli, and spent a few hours interacting with the elderly residents of the establishment. It was a humbling experience for all of us, something that we will cherish and remember in the upcoming days.

"Let them Fly"

On the same day, several NSS members congregated on the College grounds to design and fly kites as part of a fun activity designed for team-building and recreation. Friendly competition ensued as our kites finally took to the skies. At the end of the day, four winners were selected, and appropriately rewarded for their skills. Overall, it was quite an exciting experience for us.

"Cleanliness is next to Godliness"

23rd of January: On the auspicious occasion of Netaji's birthday, we went to **Paschim Chowbaga Free Primary School**. Here we started the day by hoisting the National Flag. Next, we taught the children about Netaji and made them aware of the importance of cleanliness. We organized a drawing competition and a fun game for the kids. At last we distributed chocolates to the kids. All in all, it was a great fun day with these amazingly talented kids.

"Save the Girl Child"

On the **25th of January**, 2020, NSS-HIT(K) added a new achievement to its roster. Our first street play, organized and enacted by our own members. It was organized to commemorate the National Girl Child Day, celebrated on the 24th of January. We performed twice, once in the **Chowbaga** village area in front of all the local folk, and then in the **Chowbaga Primary School**, in front of all the students. At the end of the day, weary, hungry, exhausted, and yet dancing in joy, the NSS team walked back, rejoicing among ourselves that our efforts had not been in vain, that this was in fact, not just one play, but the start of a new journey, a near future in which NSS-HIT(K) would have several such performances coming up. It was a memorable and vibrant experience.

"*Happiness does not result from what we get, but from what we give*". When we give cheerfully and except gratefully, everyone is blessed. This is something we realised as we donated winter clothes to older people, needy women & kids in the **Park Street** area from the **15th to the 29th of January**. The kids were delighted and the smile on the face of the people made us feel blessed. We made sure that none in our sight left unhappy. It good to be blessed but it's better to be a blessing. Once, you do it, you are committed to sharing. This event brought great joy and happiness to everyone and, ended on a happy note.

"Do we respect our National Flag ?"

We are all familiar with the nation-wide adrenaline boost of patriotism on **26th January**. However, this patriotism doesn't last long and we can see our national flag lying here and there. So NSS-HIT(K) volunteers took the initiative to collect all the discarded flags from roads, drains etc in the areas like **Ruby, Kalikapur, Hussainpur, Anandapur** and other nearby areas for disposing them with respect and in an acceptable manner.

"Play and Learn"

NSS-HIT(K) was invited to "The Annual Sports" of **Tagore Foundation School**. The event started with a rally by the students of The Tagore Foundation School and after the inauguration of the national flag the sports event started. The local police officers were also present in this event. NSS-HIT(K) members assisted in the smooth running of the event, with many joining the school volunteers in conducting the different activities and managing them properly. It was an enriching experience, having reminded many of us of our childhood days. The event took place on the **26th of January.**

SPARKSTERS

E-NEWSLETTER OF ROTARACT CLUB OF HERITAGE INSTITUTE OF TECHNOLOGY, KOLKATA

July '20 - Jan '21

Foreword

"None of us ever find enough kindness in the world, do we?"
When I came across this line in Donna Tartt's The Goldfinch, it captivated me with its simple honesty. If there is anything that connects us in this severe world of material hierarchies, it is the fundamental desire to be treated with kindness. And to be kind is to care, to ensure empathy for the ones who need our kindness most.
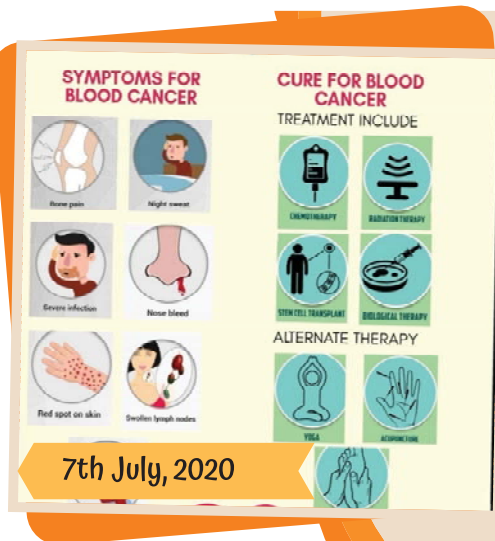

The past few months have been tumultuous in their stillness, and RC-HITK has seen a drastic change in the mode of serving the society. Many a times, I have felt disheartened and idle, but the determination of each and every Rotaractor around me, to do good in spite of a plethora of barriers, has lifted my spirits every time. They are the ones who reinforce my belief that no effort is small or in vain. That, I think, is one of my greatest earnings from this club and this movement - to be surrounded by people who act out of a simple desire to be kind to others and to each other. They make me believe in a light at the end of the tunnel, for when all is said and done, they will be the ones who have the caring hearts and the empathetic minds to build a better world, one act of kindness at a time.

This newsletter, covering the first seven months of this term has seen no dearth in efforts from our Editorial team, and I hope these chronicles succeed in being a small beacon of hope to everyone who reads them, as they have been to me. Happy Rotaracting!

Rtr. Malisa Ghosh
President
Rotaract Club of Heritage Institute of Technology,
RY 2020-21

July, 2020

7th July, 2020

Webinar on Stem Cell Donation

In collaboration with DKMS BMST (organization fighting against blood cancer), RC-HITK organized a stem cell donation awareness initiative. Rotaractors initiated a week-long social media campaign to educate the masses about blood cancer and its treatment. Following this, a webinar was organized where speakers from DKMS BMST talked extensively about every aspect of stem cell donation. The session helped the participants have a magnified view of the issue. It was immensely informative and all the attendees were now set forth to register themselves as potential donors and work further for the cause. The concept of stem cell donation needs urgent attention and the event had high hopes attached to it.

Scribblers Session

Scribblers is the wing of RC-HITK where singers, poets, story-tellers, comedians and other such talents share a common platform to celebrate their passion. The first Scribblers session of the term had a special aspect where every participant shared with everyone one such poet/author whom they admired. Rotaractors used the vibrant hours to reflect their musings through shayaris and poetry. Comics added to the fun with their jovial acts. The session concluded with a beautiful singing performance which was joined in by all the participants. The first Scribblers episode gave an energetic kickstart for the performers as well as the audience.

22nd July, 2020

23rd July, 2020

Confer

Societal gender-stereotypes have subtly crept into the very thought process of our generation. Observing these, RC-HITK organized a conversational session where such stereotypes were brought up and discussed thoroughly. Participants of both the genders sent in questions anonymously which were then asked to the opposite gender. Topics such as gender norms and roles, menstruation, stereotypical jokes, feminism, sexual violence, discrimination against gender and hegemonic masculinity were brought into light. We had constructive talks over each issue in detail. A variety of perspectives let everyone address their deep-rooted ideas of gender roles and behaviors in society. Sessions like these are essential for the overall development of young minds.

1

Samvaad

The club assembly of RC-HITK, 'Samvaad', kickstarted our fresh board members into the new term. All the members of the assembly introduced themselves. They talked about their added responsibilities and their vision for the coming months. Our Teacher-In-Charge, Mr. Clayton M. Moses, then addressed the assembly and talked us through the problems we may face and how we should approach those challenges. The senior members briefed everyone about the technical aspects of the club's internal machinery. Samvaad helped the participants grasp their roles in the larger picture of the organization and hence acted as a lubricant for smoother club functioning.

25th July, 2020

YAAR Session

RC-HITK organizes YAAR (Young Autistic Adults Recreation) sessions where we cherish the bonds we have with our very special friends. Our club collaborates with Autism Society West Bengal to spend some time with these talented lives who need very special attention. The first YAAR session of the term was themed 'A Date With R. D. Burman' to celebrate the legendary singer's belated birthday. Rotaractors played fun games like 'Freeze Dance' and 'Musical Charades' on an online video conferencing application. Rotaractors and their special friends had a jovial time singing and dancing to beautiful melodies. Another session filled with love and warmth replenished our unique bonding with these lovely souls.

Remembering the musical legend R.D. Burman on his birth anniversary. His music eternally lives in our hearts and playlist.

25th July, 2020

Aashiyana

We all are often disheartened by the condition of stray animals. With the motivation to help these innocent lives, we launched an animal welfare initiative-'Aashiyana'. This was a webinar where RC-HITK collaborated with Ashari PFA, Kolkata: an animal shelter cum hospital. Members of Ashari helped us learn about the whole scenario. Protocols like sterilization and welfare concepts like Passive Adoption, single parenting and co-parenting were discussed which were very new for most of the participants. We learned about the work of the organization in the field and how we could help the cause. The thoroughly informative session was one of a kind and sparked new hopes and aspirations in the minds of all the animal lovers.

30th July, 2020

August, 2020

Concordia

Rotaract Club of Heritage Institute of Technology organized 'Concordia', to celebrate Friendship Day. The event started with a game where the the participants had to recognize their fellow members by seeing their childhood pictures. This game was followed by a round of Tambola which was on the same theme. Participants were given friendship-themed songs to sing on scoring points in the game. This lively event helped the members to strengthen the beautiful bonds they share and everyone had a gala time.

8th August, 2020

Independence Day with Shishya

On the occasion of Independence Day, Rotaractors took up this initiative to conduct the celebrations with their students back at Shishya. Multiple games along with dance and singing performances, all through online video conferencing, helped us preserve the long tradition of teacher-student interaction on Independence Day.

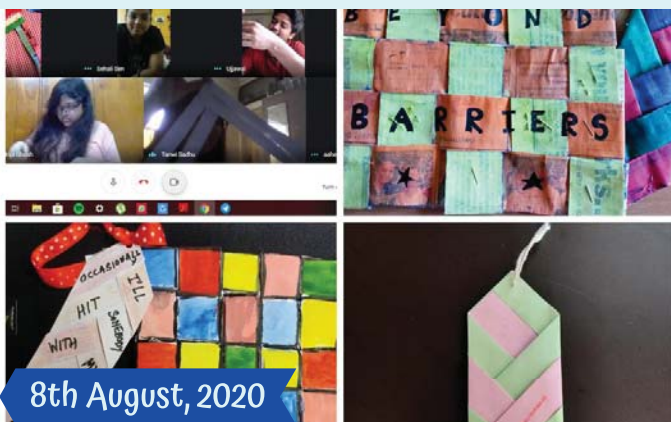

15th August, 2020

Mind Over Matter

RC-HITK conducted an online Mental Health Awareness session. Ms. Mehr Lungani, a Counselling Psychologist, Clinical Hypnotherapist and therapeutic movement facilitator, was our guest speaker for the event. Different aspects of mental health, warning signs and symptoms of mental illness were explained through PowerPoint presentations. The session ended with a Q&A round where members asked their questions anonymously and Ms. Mehr discussed each of them elaborately.

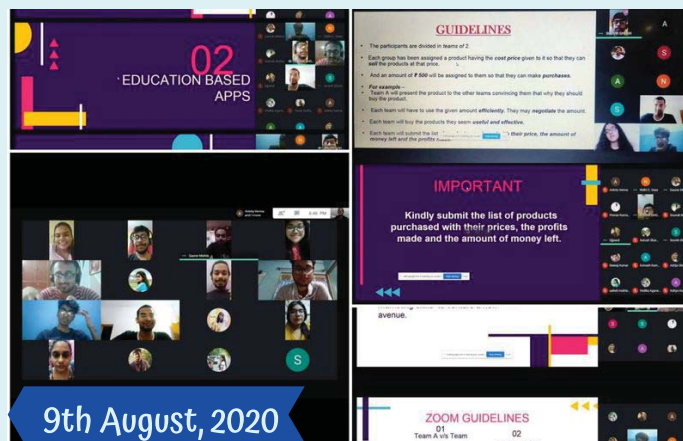

29th August, 2020

Createract

8th August, 2020

The members of Rotaract Club of Heritage Institute of Technology came together for a Createract session on the theme of 'World Nature Conservation Day'. In the session, members used colourful newspaper strips to prepare bookmarks and mats by intertwining them together. The session helped to explore the creative side of each of the participants. Rotaractors had a beautiful time interacting and making these bookmarks and mats.
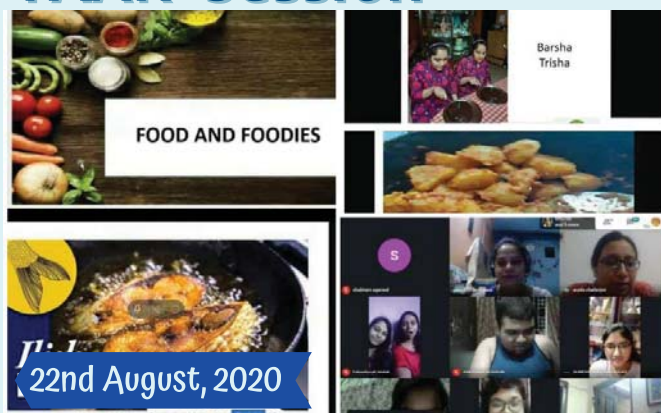

Melange

Melange was an online event organised by RC-HITK, in which thirty six clubs from seven different countries participated, to tell everyone about their state and regional specialities - including its heritage, monuments, cuisine and culture. Clubs from different states and countries gave small presentations on their cultures and their states. In between the presentations, we also had a game of 'Tambola'. The event connected us with Rotaractors from around the globe and built a stronger bond with them.

30th August, 2020

Brand It Up

9th August, 2020

'Brand It Up' was an event conducted to sharpen marketing and negotiation skills of Rotaractors. The participants were teamed into groups of two and assigned online applications like 'WhatsApp', 'Amazon', 'Facebook', etc. with their cost price, which they would later try to sell to the other teams. The whole event was set up to create an atmosphere of a virtual market where participants would negotiate and compete with their rivals. The event was very dynamic in its structure and Rotaractors had an enriching experience in the field of marketing.

YAAR Session

22nd August, 2020

RC-HITK, in association with Autism Society West Bengal, conducted the latest online YAAR Session on the theme 'Food and Foodies'. Participants spoke about their favourite dishes and food preferences. Our special friends had a lot of fun throughout the session and some even entertained us with their creative music skills. With this session, a new aspect was explored and participants had a merry evening in this ongoing pandemic situation.
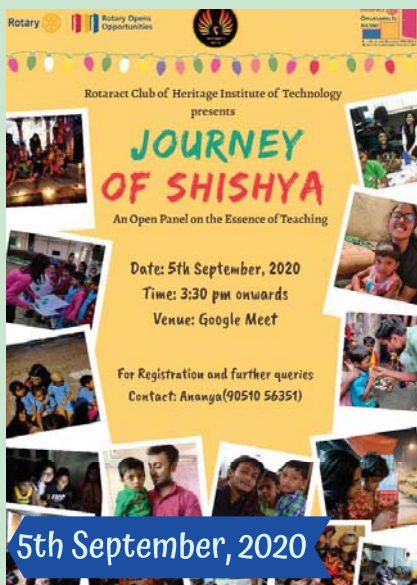

4

September, 2020

Cancer and You

'Cancer and You' was a cancer-awareness session organized by RC-HITK in collaboration with RC-MSIT. Ms. Sutapa Biswas, Co-Founder and Executive Director, Cancer Foundation of India, was our guest speaker for this event, hosted on an online video conferencing application. Ms. Biswas elaborately explained various lifestyle changes that may help prevent cancer. With growing number of cancer cases in India and worldwide, largely due to the consumption of tobacco and alcohol, it is becoming increasingly necessary to conduct such sessions.

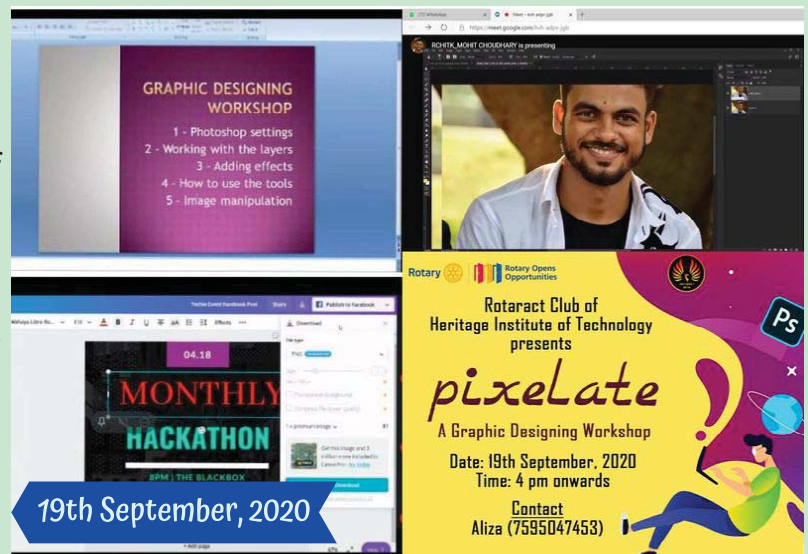

6th September, 2020

Journey of Shishya

5th September, 2020

On the occasion of Teacher's Day, Rotaract Club of Heritage Institute of Technology reminisced about the golden initial days of our club's literacy venture, Shishya, with some of its very first figures and past teachers. A learning experience for the young Rotaractors, 'Journey of Shishya' was basically a discussion panel on the essence of teaching and the challenges faced on the way. Beautiful videos were compiled with Rotaractors sharing their experiences and candid moments clicked in the past. The session ended with us making memories and learning stories of the past, the present and dreams of the future.

Pixelate

RC-HITK organized an interactive workshop on Graphic Designing, where different tools and features of Photoshop and Canva were thoroughly explained to the Rotaractors. The session was extremely audience friendly, and was aimed at giving a deeper understanding on the proper usage of these applications for novice learners. The session ended with a Q&A round to clear further doubts of the participants.

19th September, 2020

Happy Tails (Phase-1)

27th September, 2020

Animals can't speak the language of humans, hence their cries of pain go unheard. The members of RC-HITK organized a discussion session on the various measures one can take to prevent animal cruelty. A case study was presented to the Rotaractors on animal cruelty and everybody came up with various methods to tackle it. Different laws for Prevention of Cruelty towards Animals and effective measures to help animals during the ongoing pandemic situation were also addressed at the end of the session.

YAAR Session

In collaboration with Autism Society West Bengal, RC-HITK conducted an online YAAR session themed 'Pujor Gondho ar Ghure Dekha'. Our special friends shared with everyone their favourite travel destinations and we also talked about various Puja celebrations. We ended the session with a beautiful song and tonnes of sweet memories.

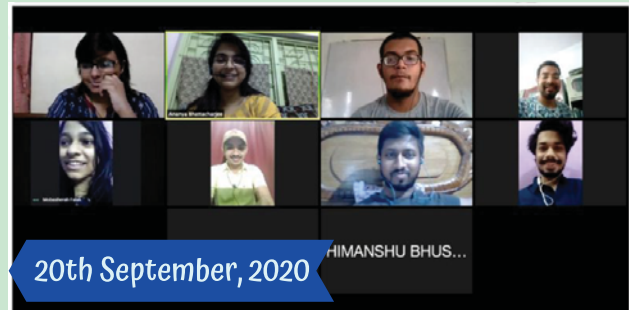

26th September, 2020

Scribblers

This month, RC-HITK conducted its 'Scribblers' session online on the theme of 'World River Day'. The participants were given the prompt of 'river' for their original works. It was a beautiful session with a variety of talented people performing and as always, the audience was mesmerized by beautiful poems and songs.

20th September, 2020

Sayannya

Rotaract Club of Heritage Institute of Technology took a ration donation initiative for the residents of Sayannya Old Age Home. With the motivation to provide the essential dietary needs of the elderly residents, Rotaractors procured for them ration which included rice, dal, biscuits, suji, sattu and puffed rice. This small help from us brought bright smiles on the faces of Sayannya residents and in turn we felt the joy of fulfillment in our hearts. We are eagerly waiting to visit them again and spend some time with these beautiful souls.

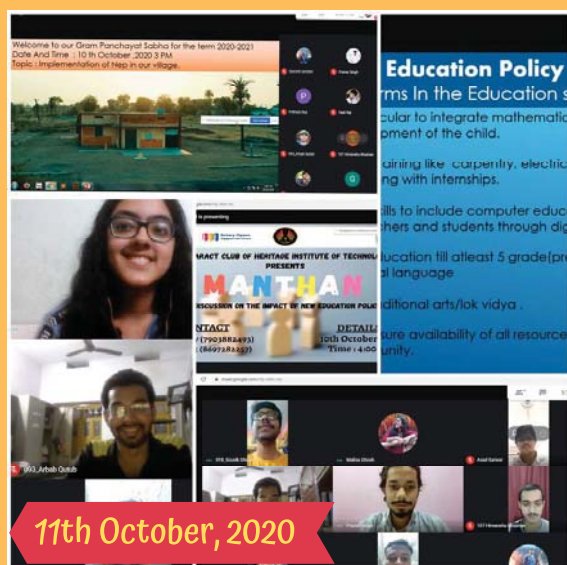

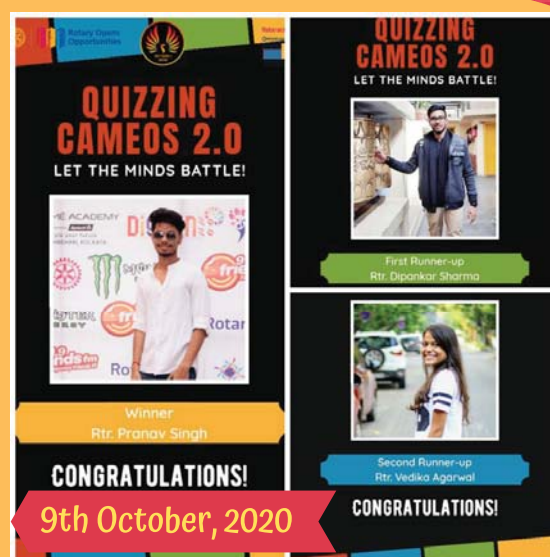

26th September, 2020

Happy Tails-Phase 2

AVINASH KUMAR SINGH
UJJAWAL KUMAR DUBEY
ADRIJA GHOSH
MOBASHERAH FALAK

28th September-3rd October, 2020

Rotaract Club of Heritage Institute of Technology conducted the second phase of its animal welfare initiative, Happy Tails. In this phase, a drive was organized in which Rotaractors from across the country as well as non-Rotaractors clicked pictures of them doing something for the stray animals. The event lasted for a week and concluded with showcasing of entries on social media platforms. The drive was done in celebration of World Animal Day. The main motive to conduct this drive was to build a habit of helping the stray animals on a personal level.

Quizzing Cameos 2.0

The 2nd edition of Quizzing Cameos was conducted by RC-HITK to freshen up the Rotaractors in their hectic academic schedules. With five different brainstorming games, the intelligence quotient and general knowledge of Rotaractors were put to test. The competition was held on the themes of Gandhi Jayanti, Indian Air Force Day and World Animal Welfare Day.

9th October, 2020

Manthan Session

11th October, 2020

In the latest Manthan session, members of RC-HITK closely studied the much talked about National Education Policy. Rotaractors tried to understand the prospects of the reformative policy with the help of tasks. Participants were asked to prepare a suitable budget to implement the reforms while defending particular areas of focus assigned to them. The session helped in looking through varied perspectives while dealing with real life situations that may arise in the field of education.

Avowal

RC-HITK organized 'Avowal', a club service event to receive opinions, feedback and suggestions regarding the ongoing club functioning. Members were given Google forms to submit their reviews anonymously. The discussions were followed by a fun game of 'Taboo' which ended the event on a happy note.

4th October, 2020

Breast Cancer Awareness

12th October, 2020

RC-HITK organized an online awareness drive on breast cancer on the theme "Life with and beyond cancer", where participants got to explore their creative sides by creating posters, artworks and write-ups on the given topic. The second phase consisted of a webinar in collaboration with Ms. Sutapa Biswas (co-founder and executive director of Cancer Foundation of India) exclusively for girls, where she discussed early symptoms, treatment procedures and self detection methods for combating breast cancer.

Sentience

Rotaract Club of Heritage Institute Technology organized 'Sentience', a discussion session to identify the root causes of gender-related crimes and come up with effective solutions to fight against the issue. Rotaractors analyzed different case studies and tried to answer fundamental questions regarding such crimes. The event also gave an opportunity for fellow members to anonymously share their personal experiences which they had faced at some point of time in their lives due to the existing societal scenario.

17th October, 2020

Pujor Chhonde

21st October, 2020

RC-HITK organized an online event 'Pujor Chhonde', to celebrate the essence of Durga Pujo and Navratri with the members. The event started with briefing everyone about the cultures and festivities followed by light hearted games like 'Let's go Pandal Hopping', 'Crossword' and 'Guess the Lie' on the same theme. Everyone enjoyed a lot and the event helped to restore pujo vibes even in these testing times.

November, 2020

7th November, 2020

Unpuzzle

"Brilliant things happen in calm minds. Be calm, you're brilliant." RC-HITK organized "Unpuzzle", a meditation session conducted by Ms. Pallavi Mohoni, an entrepreneur and volunteer with The Art Of Living Foundation. It was an interactive event where participants shared their day-to-day difficulties with stress, anxiety, pressure, etc. and our guest speaker explained how controlled breathing can help us to control our emotions. The event ended with a meditation round which left all the participants with a relaxed and peaceful mind.

Createract Session

Createract is a Professional Development wing of RC-HITK. The idea of Createract sessions is to let Rotaractors explore their innovative and creative skills. With Diwali around the corner, the second session of the term was based on decorations. This time, Rotaractors learnt to make a candle holder and a wall hanging diya origami. Rotaractors used homemade clay to make the candle holder and colourful papers they already had to make origami diyas. The session came to an end with everyone showing their finished decorations along with wishing everyone a happy, safe and a firecrackers free Diwali.

13th November, 2020

In collaboration with the Autism Society West Bengal, Rotaract Club of Heritage Institute of Technology conducts 'YAAR' sessions to create a bond with their autistic friends. The theme of this YAAR session was 'Diwali Celebrations' and Rotaractors spent the evening spreading happiness of the festival of lights amongst members. The session started with all the participants introducing themselves and wishing "Happy Diwali'. Participants played multiple fun and interactive games. We also played songs and everyone danced to the cheerful music. The participants had a great time, sharing warmth and love with their special friends.

21st November, 2020

YAAR Session

Scribblers Session

Scribblers is a wing of RC-HITK which provides a platform to all those artists or budding artists who love to sing, rant poetries, write stories and perform standup comedy. The latest episode of Scribblers was held online and Rotaractors as well as past Rotaractors recited their beautiful poetries making the audience deeply involved in them. The audience also witnessed a mesmerizing singing performance by our fellow Rotaractor. The session was thoroughly enjoyed by all the fresh artists and acted like therapy amidst our hectic schedules.

29th November, 2020

Kaleidoscope

22nd November, 2020

RC-HITK conducted "Kaleidoscope", a discussion session aimed at tackling homophobic/biphobic/ transphobic comments and slurs to destigmatize the wide spectrum of sexuality. Participants shared their experiences of homophobia through a Google form and the discussion continued accordingly. The event ended with a brief overview of the LGBTQIA+ community through a PowerPoint presentation. Rotaractors indulged in active participation and took back something useful to create a safe space for everyone.

10

December, 2020

AIDS webinar

Rotaract Club of Heritage Institute of Technology organized an AIDS awareness webinar preceded by a social media campaign to create awareness about HIV and AIDS. Guest speakers Souvik Ghosh and Sudha Jha, prominent personalities working in the field from the SAATHI organization, shed enormous light on the topic and helped participants gain detailed insights into the disease.

5th December, 2020

YAAR Session

The last YAAR session of the year 2020 was conducted on the theme "Christmas and New Year". Members of RC-HITK as well as our autistic friends at YAAR had prepared digital greeting cards for each other which they enthusiastically shared during the session. Everyone sang and danced, and ended the year on a joyful note.

26th December, 2020

Uphaar

Uphaar was a dry food packet donation drive organized by RC-HITK in collaboration with Kolkata Ahana Foundation. Members of RC-HITK reached the premises of the foundation with packed food items where all the children had already gathered in queues. Club members along with participants from Ahana Foundation met all the children and distributed biscuits, cakes, chips and snacks among all the eager children. We wished them "Happy New Year" for the upcoming year and bid them farewell. The beaming faces of the young kids ended the year on a positive note.

31st December, 2020
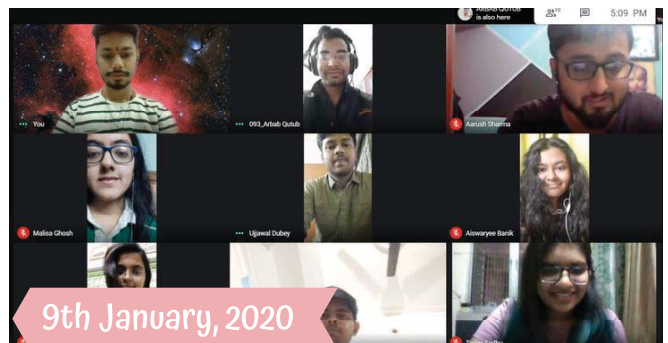

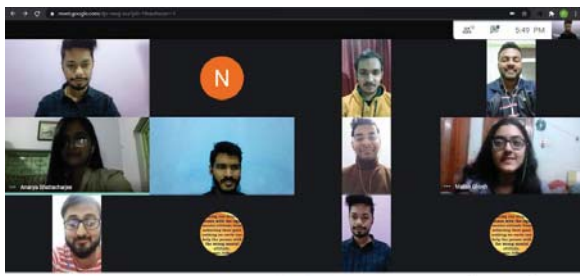

JANUARY, 2021

2nd January, 2020

PAHEL

RC-HITK organized a Covid essentials distribution drive to donate sanitizers, masks and hair caps to the students of their literacy wing, Shishya. Sanitizers were also provided by Rotaract Club Of Chandannagar and Rotaract Club Of Serampore as a part of their event "Adyashakti". Rotaractors went to six Shishya centers to distribute the protective gear and spent a wholesome day with the students. All necessary safety norms were followed during the distribution process and the children were educated on the proper use of the given items.

SAVE THE DROP

"You only realize the value of something when it's gone". RC-HITK organized an online interactive discussion session, "Save The Drop" to analyze the problems leading to water crisis and come to feasible solutions. The first half of the session dealt with a brief overview of water crisis, which helped participants to give proper arguments to the case study presented to them in the second and final half. Everyone was assigned specific roles such as the ward councillor, healthcare officer, tax officer, etc. for a refined and realistic response. Finally, practical solutions were discussed to keep the said problem at bay. Rotaractors were able to get a closer look at elementary problems like water crisis through this session.

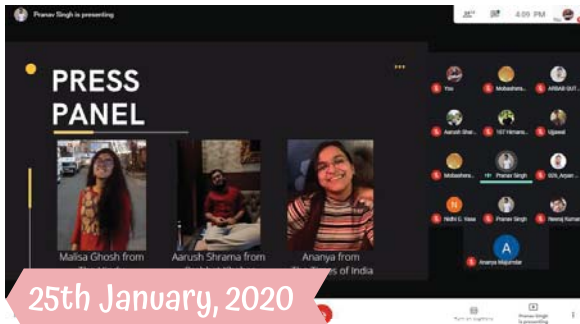

9th January, 2020

MOCK PRESS

Rotaractors came together to organize the first online edition of its professional development event 'Mock Press'. For this event, everyone was assigned roles of famous personalities and were asked to analyze their intellectual stands as well as behavioral traits. Later, a panel playing the role of press questioned and assessed the participants for their performances and quality of answers.

The event was not only a fun format for the Rotaractors but also catered to their critical thinking skills.

25th January, 2020

YAAR SESSION

The first YAAR session of 2021 was conducted online on the theme of 'New Year Celebrations'. Everyone had extensive travel plans for their resolutions and some of the participants even shared photos of their previous travels. After everyone shared their plans for the upcoming year, we played a round of Antakshari.

Our cheerful friends danced and sang along, and the session marked a rejuvenating start to the new year. The session ended with everyone bidding adieu until next time, in the hope to meet soon.

23rd January, 2020

26th January, 2020

REPUBLIC DAY AT SHISHYA

On the occasion of Republic Day, RC-HITK took part in the celebrations at various Shishya Centres. Rotaractors visited the centres at Chowbaga, Chingrighata and Kalighat, joined in the ongoing programs, and conducted several activities to add to the celebrations. Students joyously hoisted the flag and sang patriotic songs. Along with this, Rotaractors distributed sweets and played several fun games with the children.

Name of the Project: Wildlife Awareness Rally
Date: 9th February 2020
No. of Rotaractors: 51

Description:
 Rotaract Club of Heritage Institute of Technology participated in Wildlife Awareness Rally to support the cause and create awareness towards wildlife conservation. The Rotaractors showed enthusiastic participation by depicting their support for wildlife conservation through numerous posters and wearing masks of endangered animals. The rally began at 11:00 am from Ashutosh Cinema Hall with all the participants chanting slogans out loud, attracting the public to pay attention. Slogans such as "FIGHT FOR WILDLIFE", "SAVE WILDLIFE, SAVE NATURE" definitely made some powerful impact on the beholders of the rally or even those who passed by. The Rally ended around 12 noon at Priya Cinema Hall. The Awareness Rally was followed by a Quiz competition, Essay competition and Poster competition running simultaneously. The WAR 2020 was a wonderful experience for all the Rotaractors and we are thankful to have been a part of it.

Name of the Project: Coronavirus Awareness
Date: 9th-14th March 2020
No. of Rotaractors: 10

Description:
 Rotaract Club of Heritage Institute of Technology (RID 3291) organised a joint project along with Rotaract Club of Calcutta (RID 3291), Rotaract Club of Kathmandu (RID 3292) and Rotaract Club of Covai User Group (RID 3201) aimed at raising awareness regarding the coronavirus, an initiative to educate people about the widespread pandemic virus through online posters. The posters were uploaded over social media, and contained important information related to coronavirus like –
1. What is coronavirus?
2. Outbreak of coronavirus
3. Symptoms of coronavirus
4. Myths about coronavirus
5. Prevention of coronavirus
 It was an effective initiative as the clubs and its members participated actively during such a crucial time.

Name of the Project: Blood Donation Awareness Webinar

Date: 3rd October, 2020

No. of Rotaractors: 51

Description:

RC-HITK organized a blood donation awareness webinar in collaboration with NSS- HITK & BloodConnect Foundation through online video conferencing. Our guest Speaker for the session was Mr. Aachran Jain, EVP, BloodConnect. The webinar saw participation from all the associated clubs as well as people from across the country.

The webinar was preceded by an awareness campaign on social media platforms. People shared pictures and posters on their social media handles to support the cause. Our guest speaker started the session by briefly explaining types of blood donations, do's & don'ts and basic information which everyone should know regarding blood donation. The present crisis of blood reserves was elaborately discussed in the backdrop of the Covid-19 pandemic. Towards the end of the session, all the doubts from the participants were cleared and an informative quiz was played.

All the attendees were asked to register themselves as potential blood donors through BloodConnect internet links. The event was indeed insightful and will surely bring some positive change in the society.

:

Name of the Project: Sayannya (Old age home visit)
Date: 27th September, 2020
No. of Rotaractors: 4

Description-
Rotaract Club of Heritage Institute of Technology took a ration donation initiative for the residents of Sayannya old age home.

Due to the pandemic, the old age home was facing shortage of food and medical supplies. With the motivation to provide the essential dietary needs of the elderly residents, Rotaractors procured for them ration which included rice, dal, biscuits, suji, sattu and puffed rice. The supplies were handed over to them while taking care of necessary sanitary measures.

This small help from us brought bright smiles on the faces of Sayannya residents and in turn we felt the joy of fulfillment in our hearts. We are eagerly waiting to visit them again and spend some time with these cheerful souls.

EVENT LIST

1-6 APRIL 2019

HERITAGE INSTITUTE OF TECHNOLOGY
आत्म दीपो भव
KOLKATA

ABOUT US

Heritage Utsav is the reformed, annual cultural and technical festival of Heritage Institute of Technology, Kolkata - one of the finest educational institutions in the state. It combines the realms of Technology and Culture into 6 days of fun and ecstasy, with events ranging from varied fields – dance, music, theatre, fine arts, science, technology, debating, photography, film and literature. The highlights of the festival are usually the DJ and Guest Performances that span over the last two evenings. The festival witnesses the gathering of talents from all the aforesaid fields, from all around the city in particular and the country in general.

With a plethora of cultural, sports and technical events and inter-college competitions, the 16th anniversary of the fest, Heritage Utsav 2019 is touted to be one of the best college fests of Eastern India. Gear up for a major happening from the 1st to 6th of April!

DURATION: 10 AM – 5PM

TEAMS: MAXIMUM 4 MEMBERS PER TEAM

BUILD A BOT (WIRED/WIRELESS) THAT IS CAPABLE OF TRAVERSING THE ARENA MANUALLY BYPASSING THE HURDLES IN ITS PATH.

GENERAL RULES:

- A MAXIMUM OF 4 MEMBERS ARE ALLOWED PER TEAM.
- THE MEMBERS MUST BRING IDENTITY CARDS OF THE COLLEGE.
- NO PERSON SHOULD BE A MEMBER OF TWO TEAMS.
- NO BOT CAN BE SHARED BY TWO TEAMS
- THE PARTICIPANTS WILL BE PROVIDED WITH 220 VOLTS, 50 HZ STANDARD AC SUPPLY.
- PARTICIPANTS THEMSELVES WILL HAVE TO ARRANGE FOR ANY OTHER POWER SUPPLY REQUIRED FOR THEIR ROBOT
- TEAM CANNOT TINKER WITH BOTS DURING THE RUN.
- LEGO KITS OR ITS SPARE PARTS OR PRE-MADE MECHANICAL PARTS ARE NOT ALLOWED
- ANY KIND OF DAMAGE TO THE ARENA BY THE ROBOT WILL LEAD TO DIRECT DISQUALIFICATION
- ANY ACT OF MISBEHAVIOR OR MISCONDUCT WILL LEAD TO DIRECT DISQUALIFICATION.

- ANY DECISION OF THE COORDINATORS WILL BE FINAL AND BINDING
- BOTS WILL START FROM THE POINT MARKED AS "START" ON THE ARENA.
- DURING THE KNOCKOUT ROUNDS, TEAM WILL BE GIVEN A TIME FRAME, FAILING TO SHOW UP AT THE ASSIGNED TIME WILL LEAD TO DISQUALIFICATION.
- TEAMS ARE NOT ALLOWED TO QUESTION EVENT ADMINISTRATOR ABOUT ANY KNOCKOUT FIXTURE. IN THAT CASE, TEAM MAY BE DISQUALIFIED AFTER FEW WARNINGS.
- IF ANY TEAM IS HAVING ANY TROUBLE AS FAR AS THE EVENT IS CONCERNED, THEY ARE TO CONTACT THE EVENT ADMINISTRATORS.
- ADMINISTRATORS RESERVE THE RIGHT TO CHANGE/ADD/REMOVE ANY OF THE ABOVE RULES IN CASE OF ANY AMBIGUITY.
- DECISION OF THE EVENT ADMINISTRATORS WILL BE FINAL AND BINDING.

SPECIFICATIONS:

- MAXIMUM ALLOWABLE DIMENSIONS OF THE BOT WILL BE 25CM X 25CM X 25CM WITH A TOLERANCE OF 10%
- THE MAXIMUM WEIGHT OF THE BOT SHOULD NOT EXCEED 2 KG.
- THE ROBOT CAN BE POWERED ON-BOARD OR OFF-BOARD.
- THE POTENTIAL DIFFERENCE BETWEEN ANY TWO ELECTRICAL POINTS ON THE BOT MUST NOT EXCEED 18 VOLTS THROUGHOUT THE RUN.
- VIOLATION OF ANY RULE WILL LEAD TO DISQUALIFICATION.
- THE ARENA WILL CONTAIN OBSTACLES IN THE FORM OF SAND, GRAVEL, MUD, BUMPERS, STONE CHIPS, MARBLE BALLS, BROKEN GLASSES ETC.
- THE ARENA WILL BE 10-25 METERS IN LENGTH.

G3

- THE LENGTH AND CONSTITUENTS OF THE TRACK MAY KEEP VARYING FROM ROUND TO ROUND.
- THE WIDTH OF THE ARENA WILL BE APPROXIMATELY 50CM.
- THE ARENA WILL ALSO INCLUDE OBSTACLES LIKE CLIFFS, RAMPS, BRIDGES, BUMPS, DIPS, ROTATING DISCS, SEE-SAW AND STEEP SLOPES.
- MAXIMUM INCLINATION OF THE INCLINED PLANES WILL NOT EXCEED 45 DEGREES.
- ALL INDIVIDUAL ARENA PARAMETERS ARE MEASURED UNDER A TOLERANCE LEVEL OF 10%.
- THERE MAY BE SOME TYPICAL BYPASSES FOR SHORTER PATHS AND FOR FOLLOWING THE BYPASSES PROPERLY THERE MIGHT OR MIGHT NOT BE BONUS POINTS.
- IF A ROBOT DAMAGES THE ARENA, A PENALTY MIGHT BE IMPOSED ON THE TEAMS OVERALL SCORE. THE MAGNITUDE OF THE PENALTY WILL DEPEND ON THE AMOUNT OF DAMAGE CAUSED, AND WILL BE DECIDED BY THE COORDINATORS.

DETAILS

THE EVENT WILL BE SPLIT INTO TWO PHASES: PRELIMS AND FINALS THIS EVENT WILL BE POINT BASED.

PRELIMS

TIME TRIALS:

- THE BOT HAS TO SOLELY TRAVERSE THE TRACK FROM "START" POINT AND COMPLETE THE ARENA IN MAXIMUM 5 MINUTES.
- THE TRACK IS SUBDIVIDED INTO SEVERAL CHECK POINTS.
- 1 TIME OUT OF MAXIMUM 30 SECONDS IS ALLOWED PER BOT
- IN CASE OF TOPPLING, OR TIMEOUT, BOT WILL BE PLACED AGAIN AT THE POINT OF DISCONTINUITY.

- NO HURDLES CAN BE SKIPPED.
- PENALTY OF 20 SECONDS FOR EACH HAND-TOUCH WHILE 100 SECONDS FOR EACH SKIP.
- THERE WILL BE PENALTY OF 300 SECONDS FOR RESTART.
- AFTER 5 MIN THE TEAM WILL BE GIVEN POINTS ON THE BASIS OF NUMBER OF CHECKPOINTS CROSSED. SELECTION OF TEAMS FOR NEXT ROUND WILL BE ON THE BASIS OF TIME TAKEN AND THE NUMBER OF CHECKPOINTS CROSSED.

FINALS

PEDAL TO THE METAL

SCORES:

- BEAT THE CLOCK:

    SCORE = 1000 − 2 *(TIME TAKEN IN SECONDS) − 20 * (NO. OF HAND TOUCH) − 100 * (NO. OF SKIPS) −50 * (NO. OF TIME-OUTS) − 300 (FOR RESTART)

- A TEAM CANNOT OPT FOR MORE THAN 2 TIMEOUTS.
- POINT WILL BE AWARDED FOR SUCCESSFULLY CROSSING EACH OBSTACLE.
- BONUS POINTS FOR COMPLETING AHEAD OF TIME.

REGISTRATION FEES: RS. 200 PER TEAM

G4

CROSS ROADS

BE AN INNOVATOR AND WALK ON THE LINES OF CHANGE.

GRAB THIS OPPORTUNITY TO KEEP YOUR YOURSELF ON THE TRACK OF EXCELLENCE AS HERITAGE (IN COLLABORATION WITH IEEE) PRESENTS THE EVENT **"CROSSROADS"** – AN AUTONOMOUS LINE FOLLOWER ROBOTICS COMPETITION.

- ❖ **VENUE:** HERITAGE INSTITUTE OF TECHNOLOGY KOLKATA; EXECUTIVE HALL, CB BUILDING.
- ❖ **TIME:** 10AM – 5PM.
- ❖ **DATE:** 2ND APRIL 2019
- ❖ **OBJECTIVE:** THE OBJECTIVE OF THIS CONTEST IS FOR A ROBOT TO FOLLOW A BLACK LINE ON A WHITE BACKGROUND, WITHOUT LOSING THE LINE, AND NAVIGATING SEVERAL 90 DEGREE TURNS AND VARIOUS CHECKPOINTS BASED ON THE TRACK. THE ROBOT TO COMPLETE THE COURSE IN THE SHORTEST PERIOD OF TIME WHILE ACCURATELY TRACKING THE COURSE LINE FROM START TO FINISH WINS.
- ❖ **EVENT SUMMARY:** THE LESSER THE NUMBER OF ATTEMPTS TO CROSS A HURDLE, THE MORE THE POINTS. AT MAX 3 ATTEMPTS TO CROSS A CERTAIN ATTEMPT ELSE POINT LOSE OR EVEN DEDUCTION.

- ❖ **TEAM DESCRIPTION:** 3 -4 MEMBERS PER TEAM.
- ❖ **NO OF ROUNDS: 2**
  PRELIMS: ALL CHECKPOINTS MUST BE COMPLETED WITHIN THE PROVIDED
  TIME LIMIT. TOP 10 TEAMS WILL QUALIFY FOR THE FINALS.

FINALS: TEAM COMPLETING MAXIMUM NUMBER OF CHECKPOINTS IN LEAST TIME AND WITH LEAST MANUAL INTERVENTION WINS THE CHALLENGE.

❖ **RULES AND REGULATIONS:**

1. SIZE AND WEIGHT LIMITS: DIMENSIONAL AND WEIGHT LIMITS FOR ROBOTS SHALL BE STRICTLY MAINTAINED WITHIN THE BOX.

2. COURSE TIME: TIME IS MEASURED FROM THE TIME THE ROBOT CROSSES THE STARTING LINE UNTIL THE TIME IT CROSSES THE FINISH LINE. A ROBOT IS DEEMED TO HAVE CROSSED THE LINE WHEN THE FORWARD MOST WHEEL, TRACK, OR LEG OF THE ROBOT CONTACTS OR CROSSES OVER THE LINE AND AN IEEE VOLUNTEER WOULD KEEP TRACK OF THE TIMINGS.

3. TIME LIMIT: (DEPENDS ON THE TRACK)

4. TIMEKEEPING: AN IEEE VOLUNTEER WITH A STOPWATCH, BASED ON THE AVAILABILITY OF EQUIPMENT. IN EITHER CASE THE RECORDED TIME SHALL BE FINAL.

5. AUTONOMOUS CONTROL: ONCE A ROBOT HAS CROSSED THE STARTING LINE IT MUST REMAIN FULLY AUTONOMOUS, OR IT WILL BE DISQUALIFIED. NO MANUAL TOUCH WOULD BE GIVEN UNTIL THE TEAM INDULGES TO GIVE IT AND POINTS WOULD BE DEDUCTED

6. ARENA EDGES: A ROBOT THAT WANDERS OFF OF THE ARENA SURFACE WILL BE DISQUALIFIED. A ROBOT SHALL BE DEEMED TO

HAVE LEFT THE ARENA WHEN ANY WHEEL, LEG, OR TRACK HAS MOVED COMPLETELY OFF THE ARENA SURFACE. (MUST BE FOLLOWED)

7. LOSING THE LINE: ANY ROBOT THAT LOSES THE LINE COURSE MUST REACQUIRE THE LINE AT THE POINT WHERE IT WAS LOST, OR AT ANY EARLIER (E.G. ALREADY TRAVERSED) POINT. IF IT HAD TO BE BOUGHT TO THE NEXT STEP THEN POINTS SHOULD BE DEDUCTED

8. SECOND ATTEMPT: ANY ROBOT THAT LOSES THE LINE COURSE AND FAILS TO REACQUIRE IT WILL BE ALLOWED A SINGLE REATTEMPT. THE ROBOT MUST START THE COURSE AGAIN FROM THE BEGINNING, AND IF IT LOSES THE LINE COURSE ON ITS SECOND ATTEMPT IT WILL BE DISQUALIFIED. THIS MUST BE FOLLOWED IF THE ROBOT MALFUNCTIONS OR GOES OFF TRACK AT THE FIRST STEP ONLY.

9. POWER OF IEEE VOLUNTEERS: THE DECISIONS OF ALL OFFICIALS REGARDING THESE RULES AND THE CONDUCT OF THE EVENT SHALL BE FINAL.

10. COURSE SPECIFICATIONS: THE BOX SIZE AND THE TRACK SIZE SHOULD BE MENTIONED SOMETIME LATE.

11. EXTRA CREDIT WILL BE PROVIDED IF THE TEAM COMPLETES THE TRACK BEFORE TIME. THE LEFTOVER TIMING WILL BE ADDED AS A POSITIVE SCORE

❖ **AWARDS AND CERTIFICATION:** EXCITING PRIZES FOR THE TOP THREE TEAMS INCLUDING APPRECIATION CERTIFICATES FOR THE TEAMS QUALIFYING FOR THE 2ND ROUND AND PARTICIPATION CERTIFICATES FOR ALL.

REGISTRATION: RS.200 PER TEAM

DRIFT-O-DROP

BUILD A BOT (WIRED/WIRELESS) THAT IS CAPABLE OF TRAVERSING THE ARENA MANUALLY BYPASSING THE HURDLES IN ITS PATH.

COMPETE AGAINST A RIVAL BOT AND CARVE YOUR PATH TO GLORY.

DATE: 2ND APRIL 2019

VENUE: EXECUTIVE HALL

DURATION: 10 AM – 5PM

TEAMS: MAXIMUM 4 MEMBERS PER TEAM

GENERAL RULES:

- A MAXIMUM OF 4 MEMBERS ARE ALLOWED PER TEAM.
- THE MEMBERS MUST BRING IDENTITY CARDS OF THE COLLEGE.
- NO PERSON SHOULD BE A MEMBER OF TWO TEAMS.
- NO BOT CAN BE SHARED BY TWO TEAMS
- THE PARTICIPANTS WILL BE PROVIDED WITH 220 VOLTS, 50 HZ STANDARD AC SUPPLY.
- PARTICIPANTS THEMSELVES WILL HAVE TO ARRANGE FOR ANY OTHER POWER SUPPLY REQUIRED FOR THEIR ROBOT
- TEAM CANNOT TINKER WITH BOTS DURING THE RUN.

- LEGO KITS OR ITS SPARE PARTS OR PRE-MADE MECHANICAL PARTS ARE NOT ALLOWED
- ANY KIND OF DAMAGE TO THE ARENA BY THE ROBOT WILL LEAD TO DIRECT DISQUALIFICATION
- ANY ACT OF MISBEHAVIOR OR MISCONDUCT WILL LEAD TO DIRECT DISQUALIFICATION.
- ANY DECISION OF THE COORDINATORS WILL BE FINAL AND BINDING
- BOTS WILL START FROM THE POINT MARKED AS "START" ON THE ARENA.
- DURING THE KNOCKOUT ROUNDS, TEAM WILL BE GIVEN A TIME FRAME, FAILING TO SHOW UP AT THE ASSIGNED TIME WILL LEAD TO DISQUALIFICATION.
- TEAMS ARE NOT ALLOWED TO QUESTION EVENT ADMINISTRATOR ABOUT ANY KNOCKOUT FIXTURE. IN THAT CASE, TEAM MAY BE DISQUALIFIED AFTER FEW WARNINGS.
- IF ANY TEAM IS HAVING ANY TROUBLE AS FAR AS THE EVENT IS CONCERNED, THEY ARE TO CONTACT THE EVENT ADMINISTRATORS.
- ADMINISTRATORS RESERVE THE RIGHT TO CHANGE/ADD/REMOVE ANY OF THE ABOVE RULES IN CASE OF ANY AMBIGUITY.
- DECISION OF THE EVENT ADMINISTRATORS WILL BE FINAL AND BINDING.

SPECIFICATIONS:

- MAXIMUM ALLOWABLE DIMENSIONS OF THE BOT WILL BE 25CM X 25CM X 25CM WITH A TOLERANCE OF 10%
- THE MAXIMUM WEIGHT OF THE BOT SHOULD NOT EXCEED 2 KG.
- THE ROBOT CAN BE POWERED ON-BOARD OR OFF-BOARD.

- THE POTENTIAL DIFFERENCE BETWEEN ANY TWO ELECTRICAL POINTS ON THE BOT MUST NOT EXCEED 18 VOLTS THROUGHOUT THE RUN.
- VIOLATION OF ANY RULE WILL LEAD TO DISQUALIFICATION.
- THE ARENA WILL BE 10-25 METERS IN LENGTH.
- THE LENGTH AND CONSTITUENTS OF THE TRACK MAY KEEP VARYING FROM ROUND TO ROUND.
- THE WIDTH OF THE ARENA WILL BE APPROXIMATELY 100CM.
- ALL INDIVIDUAL ARENA PARAMETERS ARE MEASURED UNDER A TOLERANCE LEVEL OF 10%.
- THERE MAY BE SOME TYPICAL BYPASSES FOR SHORTER PATHS AND FOR FOLLOWING THE BYPASSES PROPERLY THERE MIGHT OR MIGHT NOT BE BONUS POINTS.
- IF A ROBOT DAMAGES THE ARENA, A PENALTY MIGHT BE IMPOSED ON THE TEAMS OVERALL SCORE. THE MAGNITUDE OF THE PENALTY WILL DEPEND ON THE AMOUNT OF DAMAGE CAUSED, AND WILL BE DECIDED BY THE COORDINATORS.

KNOCKOUT ROUND:

- THE TRACK IS SUBDIVIDED INTO SEVERAL CHECK POINTS, WITH EACH CHECK POINT CONSISTING OF SEVERAL TASKS OF PUSH / PICK & PLACE.
- HAND-TOUCHES WILL BE PENALIZED.
- IN CASE OF TOPPLING, OR BOT WILL BE PLACED AGAIN AT THE POINT OF DISCONTINUITY.
- SKIPPING OF TASKS WILL RESULT IN LOSS OF POINTS.
- BRICK TOUCHES WILL BE PENALIZED.
- DAMAGING OPPONENT BOT MAY RESULT IN DISQUALIFICATION.
- PENALTY OF POINTS FOR EACH HAND-TOUCH AND EACH SKIP.

G7

- EACH TEAM WILL GET 1 TIMEOUT OF MAXIMUM 1 MINUTE, WITHOUT RESTRICTING THE OPPONENT BOT. RESUME AFTER TIMEOUT FROM LAST CHECKPOINT CROSSED.

SCORES:

- SCORING WILL BE DISCLOSED ON SPOT

REGISTRATION FEES

RS. 200 PER TEAM

LEAGUE OF BOTS

DESIGN A MANUALLY CONTROLLED ROBOT CAPABLE OF PUSHING BLOCKS ALONG WITH SCORING MAXIMUM NUMBER OF GOALS AGAINST OTHER ROBOTS AVOIDING DIFFERENT OBSTACLES.

RULES

1. A MINIMUM OF 2 MEMBERS AND A MAXIMUM OF 4 NUMBERS ARE ALLOWED PER TEAM.
2. THE MEMBERS MUST BRING IDENTITY CARDS OF THE COLLEGE.
3. NO PERSON SHOULD BE A MEMBER OF TWO TEAMS AND NO TWO TEAMS CAN SHARE BOT.
4. THE PARTICIPANTS WILL BE PROVIDED WITH 220V, 50HZ STANDARD AC SUPPLY. PARTICIPANTS CAN ALSO USE ONBOARD POWER SUPPLIES.
5. TEAMS CANNOT ALTER BOT CONFIGURATION ONCE REGISTERED ON SPOT.

6. PRE-MADE MECHANICAL PARTS OR KITS (EX. LEGO) ARE NOT ALLOWED.
7. ATTACK ON OPPONENT'S BOT, DESTRUCTIVE WEAPONS, ANY ACT OF MISBEHAVIOR OR MISCONDUCT AND DAMAGE TO THE ARENA BY ANY BOT OR ANY TEAM WILL LEAD TO DIRECT DISQUALIFICATION.
8. DECISION OF COORDINATORS WILL BE FINAL AND BINDING.
9. RULES, SUBJECT TO CHANGE WILL BE NOTIFIED PRIOR TO THE EVENT.

ROUNDS

EVENT WILL BE HELD IN TWO ROUNDS: **QUALIFIER** AND **KNOCKOUTS**

QUALIFIER:

- EACH TEAM WILL BE GIVEN A DURATION OF 3 MINUTES, DURING WHICH THEY WOULD HAVE TO PASS THROUGH THE OBSTACLE COURSE AND SCORE AS MANY GOALS AS POSSIBLE.

- SCORING GOALS WILL FETCH POINTS AND UPON CONTACT WITH OBSTACLES, A CERTAIN POINT WILL BE DEDUCTED.

- TWO TIME-OUTS OF 2 MINUTES WILL BE PROVIDED AND NEGATIVE POINTS WILL BE AWARDED FOR FURTHER TIME-OUTS. (EXTRA TIME-OUT LIMIT IS 5 MINUTES AFTER WHICH THE TEAM WILL BE DISQUALIFIED).

- BONUS POINTS WILL BE AWARDED IF BALL IS KICKED FROM A SPECIFIED POSITION.

THE TEAMS WITH THE MAXIMUM POINTS IN THE GIVEN DURATION OF TIME WILL QUALIFY FOR THE KNOCKOUTS.

SCORING RULES:

100 * [NUMBER OF BLOCKS PLACED] +100 * [NUMBER OF GOALS] - 20 * [NUMBER OF OBSTACLES TOUCHED BY BOT] - 40 * [NUMBER OF TIMES BALL TOUCHES BLOCKS] - [10% PER 30 SECONDS FOR THE EXTRA TIMEOUT OF THE THEN SCORE] + [TIME LEFT]

KNOCKOUTS:

- THIS WILL BE A 1 VS 1 MATCH.
- ONE HALF-TIME WILL BE 3 MINUTES.
- THE TEAM THAT LEADS THE SCOREBOARD WITHIN THE GIVEN TIME FRAME WILL BE THE WINNER.
- ONE 2-MINUTE TIMEOUT WILL BE FREE.
- EACH EXTRA 2 MINUTES OF TIMEOUT WILL COST 1 NEGATIVE GOAL SCORE.
- MAXIMUM EXTRA TIMEOUT LIMIT IS 10 MINUTES.
- IN CASE OF A TIE, AN INDEFINITE PERIOD OF TIME WILL BE ADDED TILL ONE OF THE TEAM SCORES A GOAL AND GETS EVALUATED AS A WINNER ('GOLDEN GOAL').

SPECIFICATIONS OF THE BOT

- DIMENSIONS: 25CM*25CM*25CM (WITH A TOLERANCE OF 20%)
- WEIGHT: 4KG(MAX)
- VOLTAGE: THE POTENTIAL DIFFERENCE OF THE BOT MUST NOT EXCEED 20 VOLTS AT ANY POINT OF TIME.
- THE BOT MAY BE WIRED OR WIRELESS. (NOT AUTONOMOUS)

REGISTRATION FEES: RS. 200 PER TEAM

ELECTRO SPRINT

AN ELECTRONIC TREASURE HUNT COMPETITION. THE MOTIVE OF THE COMPETITION IS TO BUILD A CIRCUIT AND THE DIFFERENT COMPONENTS OF THE CIRCUIT WOULD BE HIDDEN ALL OVER THE COLLEGES, THE PARTICIPANTS WOULD HAVE TO SOLVE CLUES AND GATHER UP COMPONENTS TO BUILD UP THE MAIN CIRCUIT.

DATE: 03.04.2019

VENUE: ECE LABS

DURATION: 10 AM – 5PM

TEAMS: MAXIMUM 4 MEMBERS PER TEAM

GENERAL RULES

- A MAXIMUM OF 4 MEMBERS ARE ALLOWED PER TEAM
- THE MEMBERS MUST BRING THEIR RESPECTIVE COLLEGE IDENTITY CARDS.
- NO PERSON SHOULD BE A MEMBER OF TWO TEAMS.
- ANY ACT OF MISBEHAVIOR WITH THE JUDGES OR THE VOLUNTEER WILL LEAD TO DIRECT DISQUALIFICATIONS.
- DECISION OF THE COORDINATORS WILL BE FINAL AND BINDING.
- IF ANY TEAM IS HAVING ANY PROBLEM AS FAR AS THE EVENT IS CONCERNED, THEY MUST CONTACT THE EVENT ADMINISTRATOR WHOSE CONTACT WILL BE GIVEN IN THE CLUE BOOK.
- EVENT ADMINISTRATION RESERVED THE RIGHT TO CHANGE/ADD/REMOVE ANY OF THE ABOVE RULES IN CASE OF AMBIGUITY.

ABOUT THE COMPETITION

- THE TEAMS WILL BE PROVIDED WITH A LABORATORY WITH A POWER SUPPLY AND NECESSARY EQUIPMENT'S NEEDED AS PER THE CIRCUIT.
- THE MAIN MOTIVE OF THIS COMPETITION IS TO BUILD A CIRCUIT WHICH WILL BE SUBDIVIDED INTO 3 PARTS. COMPLETING THE ENTIRE CIRCUIT WILL BE THE MAIN AGENDA OF EVERY TEAM.
- EACH TEAM WILL BE GIVEN A "CLUE BOOKLET" AT THE BEGINNING OF THE TREASURE HUNT. ALL OF THE TREASURE HUNT CLUES WILL BE IN THE BOOKLET. IT WILL BE UP TO THE TEAMS TO DECIPHER THE CLUES AND SAFELY ACQUIRE THE COMPONENTS REQUIRED FOR THE CIRCUITS FROM EACH OF THE LOCATIONS. EACH CLUE ONCE SOLVED WILL LEAD YOU TO YOUR NEXT LOCATION. WHETHER OR NOT ALL CLUES ARE SOLVED AND THE COMPONENTS BEING RETRIEVED, TEAMS MUST RETURN TO THE LABORATORY AREA BEFORE THE TIME ALLOTTED FOR THE COMPETITION TO COMPLETE THE CIRCUIT.
- THERE WILL BE IN TOTAL 15 CLUES ALL OVER THE COLLEGES WITH 5 CLUES PER SUB CIRCUITS. AFTER SOLVING THE FIRST FIVE CLUES THE TEAM WILL HAVE ALL THE COMPONENTS NEEDED FOR THE FIRST SUB CIRCUITS. AT THIS TIME IF THE TEAM CHOOSES TO SEND ONE OF THEIR TEAM MEMBERS TO THE LABORATORY TO START WORKING WITH THE CIRCUITS, THEY ARE ALLOWED TO DO SO.
- THERE WILL BE AN OPTIONAL CIRCUIT CLUE ROUND AT THE LAST FOR THE TEAMS NEEDING ANY TECHNICAL SUPPORT BUT MARKS WILL BE DEDUCTED FOR EVERY CIRCUIT CLUE AVAILED.

G10

JUDGING CRITERIA

- FIRSTLY, THE TEAMS WILL BE MARKED ON THE BASIS OF TIME OF COMPLETION.
- THE TOTAL ARENA-BASED ADVENTURE WILL BE MARKED ON THE BASIS OF 100 POINTS WHICH ARE AS FOLLOWS
    1. COMPLETING EACH AND EVERY CLUE WILL FETCH YOU 1 POINT
    SO, THERE WILL BE TOTAL 15 POINTS FOR COLLECTING ALL THE CLUES.
    2. COMPLETING EACH OF THE SUB CIRCUITS WILL FETCH 20 POINTS. FOR COMPLETION OF THE TOTAL CIRCUITS WILL FETCH THE TEAM 60 POINTS
    3. THE 15 POINTS WILL BE UPON THE PRECISION-BASED OUTPUT OF EACH OF THE STAGES.
- THERE WILL BE DEDUCTION OF 1 POINT IF ANY TEAM AVAIL ANY CIRCUIT CLUE.

REGISTRATION FEES: RS. 200 PER TEAM

INNOVATION CHALLENGE

A PLATFORM TO SHOWCASE THE INNOVATION SKILLS OF AN INDIVIDUAL OR A GROUP. THE MAIN AIM IS TO FORMULATE THE INNOVATION SKILLS TO SOLVE REAL LIFE PROBLEMS.

DATE: 03.04.2019

VENUE: ICT 409

DURATION: 11 AM – 4PM

TEAMS: MAXIMUM 4 MEMBERS PER TEAM

GENERAL RULES:

- ALL PARTICIPANTS MUST CARRY THEIR COLLEGE IDENTITY CARDS.
- ANY KIND OF MISBEHAVIOR WITH THE JUDGES OR VOLUNTEERS WILL LEAD TO DIRECT DISQUALIFICATION.
- TEAM OF MAXIMUM 4 MEMBERS ARE ALLOWED.
- PARTICIPANTS ARE REQUESTED TO CARRY THEIR LAPTOP IN CASE OF PRESENTATION. ALSO, A PEN-DRIVE CONTAINING THE PRESENTATION.
- A DECENT DRESS CODE IS WELCOMED.

FOR THE KNOWLEDGE OF THE PARTICIPANTS:

THE REPRESENTATION OF THE IDEA CAN BE IN THE FORMAT OF A PRESENTATION, APP, MODEL. PARTICIPANTS MAY DEVIATE TO AN EXTENT FROM THE TOPICS PROVIDED BELOW ONLY IF IT IS TECHNOLOGY BASED

SOME OF THE BROAD TOPICS OF PRESENTATION-

- AGRICULTURE
- HEALTHCARE
- MEDICAL IMAGING
- ECOLOGY, ENVIRONMENT AND CLIMATE
- INTELLIGENT APPS

ROUND1:

O   TEAMS WILL BE GIVEN OPPORTUNITY TO PRESENT THEIR IDEA (BASIC OVERVIEW)

O   IN TOTAL 5MINS WILL BE ALLOTTED PER TEAM. (4MINS INTRODUCTION AND 1MIN QUESTIONING)

ROUND2:

O   SHORT-LISTED TEAMS FROM ROUND 1 WILL PRESENT THEIR IDEA IN DETAIL.

O   IN TOTAL 13MINS WILL BE ALLOTTED PER TEAM. (8MINS DETAILED OVERVIEW AND 5MINS QUESTIONING)

JUDGEMENT CRITERIA:

- INNOVATIVE EXTENT
- REAL LIFE APPLICATION
- COST EFFECTIVENESS
- USEFULNESS IN SOCIETY
- REPRESENTATION SKILLS

REGISTRATION: RS. 100 PER TEAM

Competitive Coding Event

'Code It'

Description: **Competitive programming** is a mind sport usually held over the Internet or a local network, involving participants trying to program according to provided specifications.
Code It is an onsite competitive programming contest which will be held in Heritage Institute of Technology, Kolkata.
It will be an individual contest.
The event will consist of 2 rounds.

Round - 1: This round will contain 3 algorithmic questions which the participants will be required to solve in 1.5 hours.
It will be an ACM-styled round, meaning that the participants will be ranked on the basis of the score achieved, followed by the time taken to achieve the score (in case of a tie) with a penalty of 20 minutes for every incorrect/wrong submission to a problem.
The time taken by a participant is defined as the sum total of time taken to solve the problems.
(Eg. If 'A' solves the first problem at 1 hour into the contest and the second problem at 1 hour 15 minutes into the contest, then total time taken by him to solve both the problems would be 2 hours 15 minutes. Also, the penalty time will be added to this total time, if any.)
This round will serve as a qualifier for Round - 2, that is, the final round.
Top 10 participants according to the rank-list will qualify for the final round.

Round - 2 (Final Round): This round will contain 6 algorithmic questions which the participants will be required to solve in 3 hours.
It will also be an ACM-styled round.
This round will determine the winners of the event.

Registration Fee: Rs.100 per participant (for non-HITK participants only).

Venue: MCA Building 302, 303

Date and Time: 2nd April, 2019 11:30 am - 02:30 pm (Round - 1)
3rd April, 2019 11:00 am - 02:00 pm (Round - 2)

Prizes:
All the participants will receive certificates.
The top two participants will also receive CodeChef Laddus with which they can get CodeChef goodies.
Along with this, the top 2 participants and the top first year participant will receive cash prizes which will be decided later according to the number of registrations.

Tentative amount of cash prize (see budget at the end of the document):
Rs. 3500
Rs. 2500
Rs. 1000

Peculiar case:
If the winner amongst the first years is in the top two participants, then no first-year participant will receive a trophy/cash prize

Expected Participation: We expect a maximum participation of 60 for Round - 1.

Logistics:
Both the rounds of the event will be organised on the platform of CodeChef (https://www.codechef.com).
CodeChef is a not-for-profit educational initiative by Directi, an Indian software company.
CodeChef was created as a platform to help programmers make it big in the world of algorithms, computer programming and programming contests.

We will need 2 laboratories (MCA Building 302, 303) with at least 25 working computers in each of the laboratories.
A good internet connection must be available in all the computers.
We will also need 20 - 500ml water bottles for the final round.

Lead Coordinators: Alfarhan Zahedi (CSE-C 3rd Year) and Yash Patni (CSE-C 3rd Year)

<u>Program Debugging Event</u>

'Precision'

Description: Debugging is the art of finding and fixing software coding errors.
Precision is an onsite debugging contest which will be held in Heritage Institute of Technology, Kolkata.
It will be a team-based contest i.e. the participants can take part as a team of at most 2 members. Single Member Team is also allowed
The event will consist of 2 rounds.

Round - 1: This round will contain 3 problems along with their solutions filled with bugs. The participating teams will be required to debug them in 30 minutes.
It will be an ACM-styled round, meaning that the participants will be ranked on the basis of the score achieved, followed by the time taken to achieve the score (in case of a tie) with a penalty of 5 minutes for every incorrect/wrong submission to a problem.
The time taken by a participant is defined as the sum total of time taken to solve the problems. (Eg. If 'A' solves the first problem at 10 minutes into the contest and the second problem at 15 minutes into the contest, then total time taken by him to solve both the problems would be 25 minutes. Also, the penalty time will be added to this total time, if any.)
This round will serve as a qualifier for Round - 2, that is, the final round.
Top 10 participants according to the rank-list will qualify for the final round.

Round - 2 (Final Round): This round will contain 6 problems along with their solutions filled with bugs, which the participants will be required to debug in 1 hour.
It will also be an ACM-styled round.
This round will determine the winners of the event.

<u>Registration Fee:</u> Rs.100 per team (for non-HITK participants only).

<u>Venue</u>: MCA Building 302, 303

<u>Date and Time</u>: 2nd April, 2019 02:30 pm - 04:00 pm (Round - 1)
              3rd April, 2019 02:00 pm - 04:00 pm (Round - 2)

<u>Prizes:</u> All the participants will receive certificates.
The top 2 team and the top first year team will receive cash prizes which will be decided later according to the number of registrations.
Tentative amount of cash prize (see budget at the end of the document):
Rs. 3000
Rs. 2000
Rs. 1000

Peculiar case:
If the winner amongst the first-year team is in the top two team, then no first-year team will receive a trophy/cash prize.
In order to win the first-year prize, the team should consist of first year members only.

<u>Expected Participation:</u> We expect a maximum participation of 50 teams for Round - 1.

<u>Logistics:</u>
Both the rounds of the event will be organised on the platform of HackerEarth (https://www.hackerearth.com).

We will need 2 laboratories (MCA Building 302, 303) with at least 25 working computers in each of the laboratories.
A good internet connection must be available in all the computers.

<u>Lead Coordinators:</u> Alfarhan Zahedi (CSE-C 3rd Year) and Yash Patni (CSE-C 3rd Year)

'Mutex'

Description: Mutex, as the name suggests, is a competitive coding event where the members of a team will take turns to solve the problems. It will be an onsite contest which will be held in Heritage Institute of Technology, Kolkata.

It will be a team-based contest i.e. the participants can take part as a team of 2 members. Single Member Team will not be also allowed.

The event will consist of 1 round.

Detailed Description:

The event will consist of 4 questions. The participating teams are required to solve them in 2 hours. The catch is that, at a time, only one member of the team will be allowed to sit on the computer and write the code and the other member will have to wait for his turn. The members will switch after every 15 minutes.

It will be an ACM-styled round, meaning that the participants will be ranked on the basis of the score achieved, followed by the time taken to achieve the score (in case of a tie) with a penalty of 10 minutes for every incorrect/wrong submission to a problem.

The time taken by a participant is defined as the sum total of time taken to solve the problems. (Eg. If 'A' solves the first problem at 10 minutes into the contest and the second problem at 15 minutes into the contest, then total time taken by him to solve both the problems would be 25 minutes. Also, the penalty time will be added to this total time, if any.)

Registration Fee: Rs.100 per team (for non-HITK participants only).

Venue: MCA Building 302, 303

Date and Time: 2nd April, 2019 11:00 am - 03:00 pm

Prizes: All the participants will receive certificates.

The top 2 team and the top first year team will receive cash prizes which will be decided later according to the number of registrations.

Tentative amount of cash prize (see budget at the end of the document):

Rs. 3500

Rs. 2500

Rs. 1000

Peculiar case:

If the winner amongst the first year team is in the top two team, then no first year team will receive a trophy/cash prize.

In order to win the first year prize, the team should consist of first year members only.

Expected Participation: We expect a maximum participation of 40 teams.

Logistics:

The event will be organised on the platform of HackerEarth (https://www.hackerearth.com).

We will need 2 laboratories (MCA Building 30 , 03) with at least 25 working computers in each of the aboratories.

A good internet connection must be available in all the computers.

Lead Coordinators: Alfarhan Zahedi (CSE-C 3rd Year) and Yash Patni (CSE-C 3rd Year)

Sudoku Event

Rules:

1. It will be a one-hour event.
2. There will be only one round of Sudoku.
3. The round will consist of 8 Sudoku.
4. There will be 5 Classic Sudoku and 3 Sudoku variants (odd-even, diagonal and consecutive).
5. Scoring:
   - Complete solution
     Contestant will get score for each Sudoku which is completely solved before the time is up. Score for each Sudoku will depend on the difficulty of the Sudoku.
   - Time bonus
     In case, a contestant can completely solve all the Sudokus given in the round before the time is up, he/she will get time bonus score.
     Contestants will get 1 point for each second that is left. However a contestant will not get time bonus if all sudokus are not solved completely.
6. In case of a tie, there will be a tie-breaker round.
7. Decision of the coordinator will be regarded as final.

BRIDGE-MAKING USING POPSICLE STICKS

TITLE: CONSTRUKT

THIS EVENT TESTS YOUR ART OF CONSTRUCTING BRIDGES. BRING OUT THE ENGINEER INSIDE YOU AND CREATE A MARVEL OUT OF THE RAW MATERIALS PROVIDED.

RULES

- TEAM CONSISTS OF MAXIMUM 5 MEMBERS.
- WOODEN POPSICLE STICKS, WHITE GLUE WILL BE PROVIDED ON SPOT.
- ALL OTHER NECESSARY MATERIALS (SCISSORS, ART PAPER, BLADES/OTHER CUTTING MATERIALS, THREAD, CLIPS ETC) MAY BE BROUGHT BY THE PARTICIPANTS THEMSELVES.
- ONLY WOODEN POPSICLE STICKS AND WHITE GLUE CAN BE USED TO CONSTRUCT THE BRIDGES. NO OTHER MATERIALS ARE PERMITTED. THE WOODEN STICKS CAN BE CUT TO FIT AS DESIRED. THE AMOUNT OF STICKS USED IN THE BRIDGE IS LIMITED ONLY BY THE DIMENSIONS AND WEIGHT RESTRICTIONS.
- PLEASE NOTE THE FOLLOWING WHEN YOU DESIGN AND BUILD YOUR BRIDGE:
- DURING THE STRENGTH-TEST OF THE BRIDGE, ONE HORIZONTAL BAR WILL BE PLACED ON THE ROAD DECK OF THE BRIDGE. A DOWNWARD FORCE WILL BE APPLIED ONTO THE HORIZONTAL BAR. BY PLACING THE BAR ON THE DECK IN THIS MANNER, WE ENSURE THAT THE TRUSS MEMBERS OF THE BRIDGE ARE STRESSED DURING THE STRENGTH TEST. THE BUILDER OF THE MODEL BRIDGE SHALL ENSURE THAT THERE IS ONE 3CM X 3CM OPENING, THROUGH THE SIDE OF THE BRIDGE STRUCTURE, IMMEDIATELY BESIDE THE BRIDGE DECK, TO ACCOMMODATE THE LOAD TESTING.
- THE SELF WEIGHT OF THE BRIDGE MUST BE LESS THAN 250GMS. IF THE ABOVE-MENTIONED LIMIT IS CROSSED THEN POINTS WILL BE DEDUCTED AS PER THE FOLLOWING: UP TO 5GMS OVER LIMIT–FOR EACH 1GMS- 0.5 POINT WILL BE DEDUCTED. 5-10 GMS OVER LIMIT–FOR EACH GM, 1 POINT WILL BE DEDUCTED. 10 & ABOVE OVER LIMIT–FOR EACH 1GMS- 1.5POINTS WILL BE DEDUCTED.
- 2 POINTS WILL BE DEDUCTED FROM THE SCORE IF THE BRIDGE DECK IS NARROWER THAN 3.5CM.
- 5 POINTS WILL BE DEDUCTED FOR EACH 1CM (OR PORTION THEREOF) THAT THE BRIDGE'S HEIGHT EXCEEDS 18CM.
- 2 POINT WILL BE DEDUCTED FOR EACH 1CM THAT THE BRIDGE'S WIDTH EXCEEDS 14CM.
- 2 POINT WILL BE DEDUCTED FOR EACH 1CM THAT THE BRIDGE'S LENGTH EXCEEDS 60CM.
- ENTRIES WILL BE DISQUALIFIED IF THEY USE A MATERIAL OTHER THAN FEVICOL AND WOODEN POPSICLE STICKS.
- ENTRIES WILL BE DISQUALIFIED IF THE BRIDGE LENGTH IS SHORTER THAN 50CM.
- ENTRIES WILL BE DISQUALIFIED IF THE HEIGHT OF THE BRIDGE IS LESS THAN ONE POPSICLE STICK.
- ENTRIES WILL BE DISQUALIFIED IF THERE IS EVIDENCE OF HEAT TREATING (BAKING, ETC).
- SUSPENSION BRIDGE MODEL IS NOT PERMITTED IN THIS EVENT.
- ENTRIES WILL BE DISQUALIFIED IF THE BRIDGE WIDTH IS SHORTER THAN 10CM.
- ENTRIES WILL BE DISQUALIFIED IF THERE IS NO ROAD ON THE BRIDGE.

- CONSTRUCTION: 4 HOURS
- LOAD TEST OUTCOME: LOAD TESTING WILL BE CONDUCTED ON THE EVENT DAY
- THE BRIDGES WILL BE SUBJECTED TO A EFFICIENCY-TEST IN WHICH A DOWNWARD FORCE WILL BE APPLIED TO THE BRIDGE AND THE FORCE WILL BE GRADUALLY INCREASED UNTIL THE BRIDGE FAILS. THIS FORCE WILL BE RECORDED ON THE EVALUATION SHEET. A BRIDGE IS CONSIDERED TO FAIL WHEN AT LEAST ONE MEMBER OF THE BRIDGE BREAKS. DURING THE TEST, THE BRIDGE WILL REST ON TWO BLOCKS PLACED APART.THESE BLOCKS ARE LOOSE AND WILL RESIST THE DOWNWARD FORCE APPLIED TO THE BRIDGE. THE STRENGTH FACTOR WILL BE COMPUTED USING THE FORMULA: EFFICIENCY= (APPLIED FORCE)/ (SELF WEIGHT OF THE BRIDGE)
- THE BRIDGE WITH THE HIGHEST STRENGTH FACTOR WILL BE GIVEN A SCORE OF 100. ALL OTHER BRIDGE ENTRIES WITH IN THE CATEGORY WILL BE GIVEN A SCORE LESS THAN 100, BASED ON THE RATIO OF THEIR STRENGTH FACTOR SCORE TO THE HIGHEST STRENGTH FACTOR SCORE.
- DECISIONS TAKEN BY JUDGES WILL BE FINAL

SPECIFICATIONS

- THE LENGTH OF THE BRIDGE MUST BE BETWEEN 50 CM AND 60CM AT ITS BASE. THIS IS CRITICAL AND THE BRIDGE WILL BE DISQUALIFIED IF IT IS SHORTER THAN 50CM AND WILL BE PENALIZED IF IT IS LONGER THAN 60CM AT THE BASE.
- THE ROAD SURFACE OF THE BRIDGE MUST BE AT LEAST 3CM WIDE ALONG ITS ENTIRE LENGTH (SUFFICIENT TO ALLOW A MATCH BOX TO PASS THROUGH)
- THE OVERALL WIDTH OF THE BRIDGE MUST BE BETWEEN 10CM AND 14CM. THIS IS CRITICAL AND THE BRIDGE WILL BE DISQUALIFIED IF IT IS WIDER THAN 14CM OR HIGHER THAN 18CM. HEIGHT OF A ZERO MEMBER WILL NOT BE CONSIDERED.
- THE WEIGHT OF THE BRIDGE SHALL NOT EXCEED 250 GMS. " WEIGHT MEANS WEIGHT, INCLUDING STICK, GLUE AND INCLUDES ALL ATTACHMENTS SUBMITTED WITH THE BRIDGE. PENALTIES WILL BE ASSESSED AGAINST OVERWEIGHT BRIDGES."

SCORING RULES

- KEEP THE GLUED JOINTS CLEANED AND TRIMMED. AT THE JOINTS, BE SURE TO OVERLAP THE STICKS AND WIPE OFF EXCESS GLUE.
- IF THE EDGES OF THE BRIDGE ARE INTENDED TO BE STRAIGHT, USE A STRAIGHT EDGE WHILE BUILDING THE BRIDGE.
- TRY TO USE SOME ARTISTIC IMAGINATION
- TRY TO USE ENGINEERING PRINCIPLES, TO TRANSFER THE FORCE FROM THE MIDDLE OF THE BRIDGE TO ITS SUPPORTS.
- COMPLY WITH THE WEIGHTS AND DIMENSIONS RESTRICTIONS TO AVOID PENALTIES.

ESTIMATED PARTICIPATION: MAX 120 PARTICIPANTS (30 GROUPS)

Name of the Project: Clothes Distribution
Date: 22nd December 2019
No. of Rotaractors: 31

Description: The winters in December carry a festive feeling, and in order to celebrate Christmas, the festival of cultures, our parent club, Rotary Club of Calcutta Mahanagar joined in the festivities by distributing clothes to the students at all our Shishya centres. Rotarians Ashok Agarwal, Jyoti Mahipal and Seema Somani visited our Netajinagar Shishya centre with clothes for the kids there, as well as some to deliver to our other literacy centres. Interacting with the children over the topic of how they celebrate Christmas, they bonded with them in no time. Our students showcased their numerous talents (singing, dancing, recitation), gaining heartwarming praise from the Rotarians. The smiles on the children's faces on receiving their Christmas gifts spoke volumes about their satisfaction and joy.

Yoga and Meditation Training Session on 23/11/2019

The YOGA club of HIT had organized a yoga and meditation training session in collaboration with *Heartfulness* (https://heartfulness.org/us/) on November 23, 2019 at CB Executive Hall between 09:00 to 10:30 am. The session introduced basic yoga and meditation practices along with associated benefits. Around 30 students attended and took part in the live practice session.

DSC presence at GDG meet
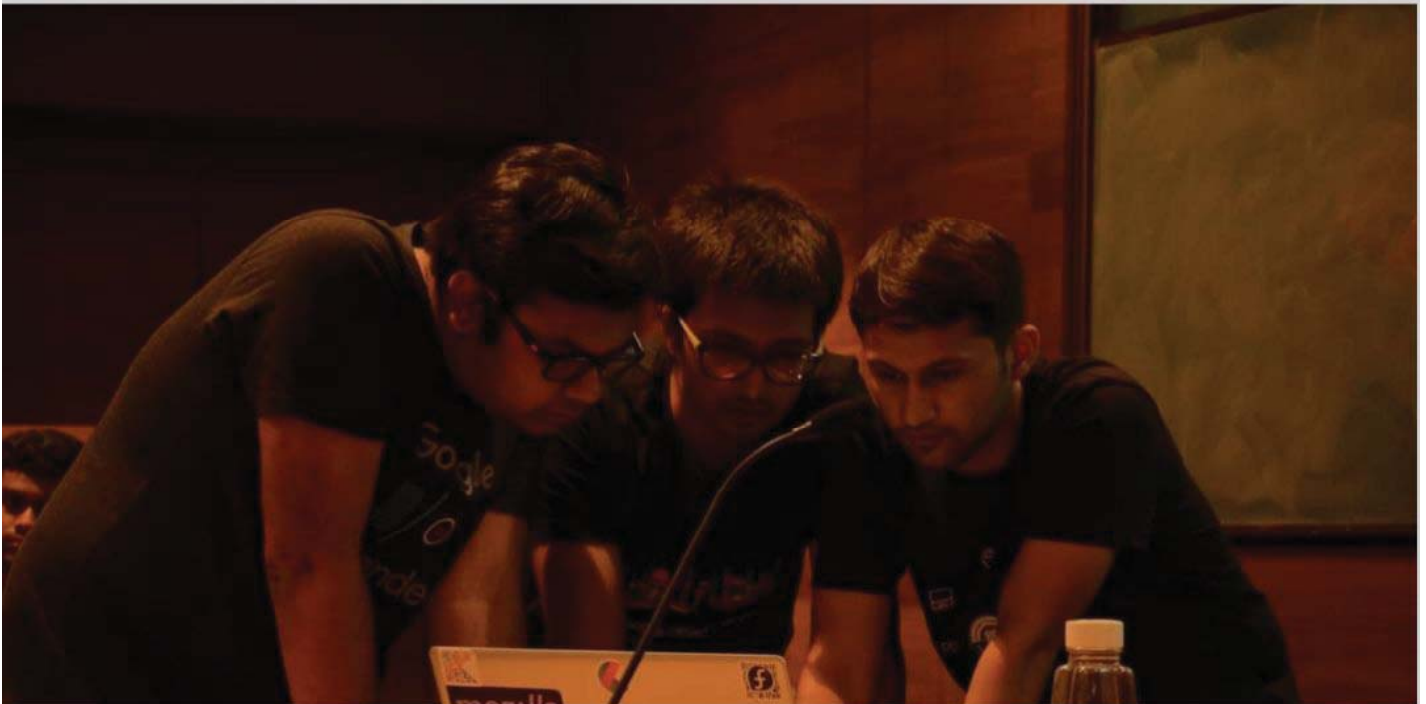

Geeks United and ACM Student Chapter are glad to announce their last event of the semester - "Advanced Graph Theory and its Application in Communication Theory", which comprises of two interactive talks.

Speakers include -
Rogers Mathew, Assistant Professor, Department of Computer Science , Indian Institute of Technology, Kharagpur.
More information about him can be found here: http://cse.iitkgp.ac.in/~rogers/

Anindita Kundu, Department of Computer Science and Engineering, Heritage Institute of Technology.

Date: 23rd November, 2018.
Time: 1:30 P.M. - 4 P.M.
Venue: ICT 312.

Attendees will be provided with refreshments and goodies.

However, this special and last event is going to be invite-only.

If you are interested, kindly fill up the attached form. We will select a handful of students and send the invitations by tomorrow night.
(The selection will be done on first-come-first-serve basis. However, 4th and 3rd years will given priority over the rest.)

Please fill up the form only if your sure that you will be able to attend the talk.

Heritage Institute of Technology ACM Student Chapter
2 July 2018 ·

Hello,

On the 5th of July, a workshop will be conducted by our alumni Satyaki Sikdar (PhD student, University of Notre Dame) and Sourav Kumar Bose (M.Tech. batch of 2018, IIT Bombay).

Title: Workshop on End-to-end Machine Learning with Real-life Datasets

Contents: This talk will focus on the entire pipeline of a typical machine learning project. Working with a real-life dataset, it will be shown how even the basic concepts of machine learning can be used to extract useful information. The attendees would be walked through the entire spectrum of machine learning tasks, starting with data cleaning, feature extraction, classification, clustering, and model inference. A basic level of Python code comprehension is advised, although not essential.

You are cordially invited to attend this worshop. You should mail to Prof Partha Basuchowdhuri (parthabasu.chowdhuri@heritageit.edu) with the same title regarding your interest to attend the workshop. As the number of seats is limited you are encouraged to mail as soon as possible.

Regards,
Manish Seal

ACTIVITIES OF THE GHUNGROO CLUB OF HERITAGE INSTITUTE OF TECHNOLOGY

With the new start of the Club activities, Ghungroo Club has flourished profoundly. It started with us participating in Bhawanipur dance championship and ended with us bagging the third price in the cultural fest of Loreto, Samagam.

"Prothoma 2k18" will surely go down as one of our most cherished memories of Heritage. We all know that this was a long wait, it was hectic, but it was fun. Prothoma is indeed our glimmer of hope and 'October 9th' might serve as a boon to this college for all the upcoming cultural events. Looking forward to more such collaborations in the coming future.

ACTIVITIES OF RESONANCE – THE MUSIC CLUB OF HERITAGE INSTITUTE OF TECHNOLOGY, KOLKATA
During September-Otober, 2018

Being one of the most popular clubs, Resonance attracted a huge number of registrations from music enthusiasts of the college.

The events for the session commenced on 18/09/18 with a **TALENT HUNT** organized by the club coordinators. The event spanned over two days and saw over 180 performers showcase their musical capabilities. Apart from some fine vocalists and guitarists, we also got to witness beatboxers, flautists, cajon players and harmonica players take up the stage and put up incredible performances, proving that HIT-K has no dearth of out-of-the-box talents as well.

Photographs of the Talent Hunt organised by Resonance

Our next event, which by far has been one of the biggest events the club has taken part in as a body, was **PROTHOMA 2018.** The event was a collaboratively coordinated by 5 clubs of the college Resonance being one of them. **'Colours of Festivals'** was the theme of this pre-Durga Puja mega event. The event started off with Resonance's performance where some of the best eastern vocalists and instrumentalists of the college belted out popular numbers like Aye Re Chhute Aye, Khwaja Ji, Gouri Elo and Deva Shree Ganesha. The performance was very well received by students and faculty alike.

Another highlight of the day was our collaboration with Ghungroo- The Dance Club on the song **Ayigiri Nandini** where Resonance provided live music to the dance. This collaboration was of course a difficult one and first of its kind in college, but was ultimately a huge success and very well put up.

Apart from this, members of the club have been representing the college at various inter-college music competitions and has indeed become a very respected name among fellow colleges in terms of musical finesse. The club wishes to continue its efforts to nurture musical enthusiasm of students of the college under the guidance of the faculties in-charge **Prof. Dr. Sandip Chatterjee** and **Prof. Chandrima Roy**.

The eastern and western bands of the college performing at Loreto College fest

Report on Entreprerna-2018

Entreprerna 2018- the annual induction programme of Entrepreneurship Development Cell, HITK was held on 3rd October, 2018. The event kicked off with the lighting of the lamp by Dr. Shubhrangshu Sanyal CEO, Innovation Park, IIMC; Mr. Raghav Kanoria, Founder and Partner, Neoleap Business Ventures LLP; Shri Probir Roy, Director Kalyan Bharti Trust; Shri. Pradip Agarwal, CEO, Kalyan Bharti Trust; Prof. Pranay Chaudhuri, Principal, Heritage Institute of Technology; Prof. Anup Sinha, Dean, Heritage Business School and Dr. Sandip Chatterjee, Faculty-in-Charge, EDC, HITK.

The Inauguration was followed by the Keynote Address by Dr. Subhrangshu Sanyal, who spoke about the fundamental tenets of being an entrepreneur. It was a great learning opportunity for the audience comprising mostly of first, second and third year engineering undergrads spanning across various streams.

Following the Keynote, the Student Coordinators did a short presentation about EDC and its achievements over the past few years.

The second session of the day was a Panel Discussion on the motion - "Necessity of an Active Entrepreneurship Cell in Academic Institutions." The panelists were Mr. Raghav Kanoria, Founder and Partner, Neoleap Business Ventures LLP; Mr. Aaquib Hussain, Founder and Director, I&We; Mr. Joy Das Mohapatra, CEO, Osiris Environ Solutions Pvt. Ltd. and Mr. Debasish Ghosh, Core Member, Entrepreneurs' Committee, BBC&I while the panel was moderated by Mr. Suman Mukherjee, Director, Banglanatok.com. The students asked pertinent questions and were answered from multiple perspectives to clear their queries.

The second half of the day was reserved for a Business Idea Competition for the students of HITK where each of the teams were allotted 10 minutes of which they got 6 minutes to present and flesh out their idea in front of the esteemed panel of judges comprising of Ms. Visakha Agarwal, Partner, Neoleap Acclerator; Mr. Aaquib Hussain, Founder and Director, I&We; Mr. Joy Das Mohapatra, CEO, Osiris Environ Solutions Pvt. Ltd.; Mr. Debasish Ghosh, Core Member, Entrepreneurs' Committee, BBC&I and Dr. Sandip Chatterjee, Faculty Coordinator, EDC, HITK and the remaining 4 minutes were spent on question-answer session where the judges guided them on the execution of their ideas in a better way. The result of the competition is as follows:

Winner: PAVING PLUS
Team Members:
1. Ranjan Kumar Gupta , CE, 2nd Year
2. Anushka, EE, 3rd Year

First Runner-Up: MEDI-BUDDIES
1. Sayeri Dhawa, Ch. E, 3rd Year
2. Anuska Baidya Roy, Ch. E, 3rd Year

Second Runner-Up: J4JUGAAD
Siddharth Agarwal, CSE, 2nd Year

The event concluded with a Vote of Thanks by the Faculty Coordinator of EDC, Dr. Sandip Chatterjee and a Networking Tea.

Some Snaps

Fashion Club Acivity Report (September'18-December'18)

A Meeting for the co-ordinators of "Fashion club" has been conducted on 17th August'18 in presence of

1) Prof. (Dr.) SarmilaSahoo (Associate Professor, CE)

2) Prof. Puja Basuchoudhury (Assistant Professor, CE)

3) Students who have opted for the participation in the "Fashion Club" of HIT, K.

After necessary discussions:

1) The co-ordinators of the club are chosen.

2) It is decided that the audition for the club activities will be held on the 30th of August, 2018 at room number CB 607.

3) It is also recommended to the co-ordinators to prepare an activity list of the club, of this semester with proper guidance of the faculty in charges of the "Fashion Club".

4) The audition has been arranged on the basis of 4nos.of round on the mentioned date.

5)A meeting was held to finalise the event Prathama2018 on 27th September 2018, where it is decided to choose some volunteers.

6) A programme "Prathama2018" has been conducted on 9th October'18 where the students of Fashion Club were actively participated and made the event successful.

NSS-HIT(K), in collaboration with HEGA club of HIT(K), organized an event called "OZOSCREEN" in remembrance of "World Ozone Day" on 4th October, 2010. Around 200-300 students, including the participants, had joined the event. The event was hosted by one of our 4th year students Miss Sriparna Das from Department of Biotechnology, HIT(K). The event was inaugurated after lighting of the lamp by our Principal Sir, Joint Registrar, the Dean of Undergraduate and the Faculty In-Charge of HEGA. Our Principal Sir shared a few words of priceless encouragement with the audience and the participants followed by an inaugural note by Prof. (Dr.) Dwaipayan Sen, Faculty In-Charge HEGA. Event showed a short film called "Inconvenient Truth" by Al Gore, which aimed to show the audience how global warming, if ignored would drown half the Earth. This was followed by a competition called "INVESOZONE", a video-quiz session in which 6 teams with 3 members in each team were asked three questions from a short video on environmental disorders shown. The quiz was followed by another competition called "ELOCOMP", an elocution competition on a topic, "Holes in the Ozone: A myth or a Fact". Each of 10 speakers delivered a 3 minute speech on the topic. Both the competitions were judged by Prof. (Dr.) Avijit Ghosh and Prof. (Dr.) Aparna Ray Sarkar, faculty members from Department of Chemical Engineering, HIT(K). Results of the both the competitions were announced by Prof. (Dr.) Avijit Ghosh. The program ended with "Vote of Thanks" by 4th year student Miss Kriti Chakraborty from Department of Biotechnology, HIT(K) followed by the National Anthem.

Pravasana Events till DEC 2018

1) JAAGO RONG (Painting competition)
- Date: 28th September 2018
- Venue: CB 607 (In Campus)
- Time: 11a.m to 1p.m
- Theme: Pre Durga-Puja
- Participation: 110
- Volunteers: Coordinators Only

2) LENSATION (Photo-walk)
- Date: 8th October 2018
- Venue: Maidan
- Time: 3:30p.m
- Theme: Panning and Light Trail
- Participation: 15
- Volunteers: Coordinators Only

3) PROTHOMA (Rangoli Making Competition)
- Date: 9th October 2018
- Venue: CB Lobby
- Time: { Reporting: 12 O' clock, Competition time: 12:30p.m-2:30p.m }
- Theme: Pre Durga-Puja
- Participation: { Team of 5 (3 girls and 2 boys), Total Team-9, Total Participants- 45 }
- Volunteers: 10

4) PROTHOMA (Exhibition – Photography and Painting)
- Date: 8th October 2018
- Venue: CB Lobby
- Time: 10a.m- 5p.m
- Theme: Pre Durga-Puja
- Participations: 50
- Volunteers: 5

5) PROTHOMA (Short Film Premiere- Ashwini)

- Date: 8th October 2018
- Venue: SV Auditorium
- Time: 3:30p.m – 3:40p.m
- Theme: Pre Durga Puja
- Participations: 11
- Volunteers: 5

6) FANUSHI 2018 (Sky Lantern Festival with Photography Competition)

- Date: 5th November 2018
- Venue: SAC Ground (in Campus)
- Time: 4:30p.m – 5:30p.m
- Participation: for competition 24 participants
- Volunteers: 12

ACTIVITIES OF 'RESONNCE CLUB', 'GHUNGROO CLUB', 'PRAVASANA CLUB', 'ANUBHAV CLUB' OF

HERITAGE INSTITUTE OF TECHNOLOGY

PROTHOMA

The *resonance, ghunghroo, Anubhav, pravasana and fashion* clubs of **HERITAGE INSTITUTE OF TECHNOLOGY** came together to organise the greatest in-house production called "PROTHOMA". Where all the students show cased the best of their talent and awed the crowed away.

At first were the "**RESONANCE CLUB**" who showed cased amazing arrays of songs trending from beloved 'BENGALI FOLK' to latest 'BOLLYWOOD HITS' which got the crowd onto their feet and the stage was set for the evening

"SANGEET" means the coordination of dance, song and instruments which was showcased by **GHUNGROO** and **RESONANCE** with an amazing classical rock.

Following it was the "**ANUBHAV CLUB**" who performed a play titled 'DHISOOM DHISOOM' the play depicted the transformation of a silent and innocent man to a person who stood for his decisions and opinions with the will to fight for it.

Well we all like to dress good but the "**HERITAGE FASHION CLUB**" is always a

notch up. With the theme of "AAGOMONI" they depicted the verities of festival celebrated that India welcomes on same time as DURGA puja

The last performance was by the "**GHUNGROO CLUB**" it started with Chan dipath, jago Durga and after tandava they moved on to depict garbha and dandiya and finally ending with our pride "THE DHUNOCHI NACH"

The entire event was well organised and well oriented by the respective clubs and Coordinators. Everyone who went to the show came out with a smile on their face and heart full of joy and eagerness as when will be the **NEXT SHOW!!!!!**

Heritage Institute of Technology
Report of Sports Club

The Sports Club of HITK was formed on **01/09/2018** under the requirement of AICTE norm to conduct all the sports activity of the Institute.

The committee was formed with the following members:

1. Faculty Coordinators
a) Dr. Ajanta Das
b) Mr. Rudra Roychoudhury
c) Sudipta Roy
2. Student Co-ordinators
    a) Rahan Sigharoy
    b) Ruchira
    c) Arka Roy
3. Dr. Sunil Singh (Sports teacher of Heritage Gr.)

- A general meeting under the banner of sports club was called and all the students were asked to attend the meeting to know the intensity and capacity of the club . Students who are preferring club activities as discussed in the meeting filled up forms there in the meeting itself and became member of the club.
- After the formation of Sports Club a mail ID was generated under gmail domain as hitk.sportsclub@gmail.com in the first half of September 2018 and a call of sports choices was posted there .
- The options were open for the outgoing 4th year students even who have not enrolled them as member of the club. But , it was kept restricted for the members only for 1st to 3rd year students.
- Restriction was also put with the choice of maximum of two spots event per student.
- Following are the events that were provided under the club
    1. Under group sport with more than two players : Cricket, football, throw ball (for girls only)
    2. Individual events: Carrom , Table Tennis so far.

Detail of events happened:

1. Carrom doubles(boys and girls)
2. Table tennis doubles for boys
3. Throw ball for girls.

Report on Belles-lettres (Literary Club) – Report till Dec 2018

Belles-lettres,an informal reading session of the Literary Club of Heritage Institute of Technology,Kolkata was held at CB 419 on 11th October,2018 from 3pm to 5pm.It was the first event organised by the Club.The event was chaired by Dr.Riddhi Goswami and Dr.Srabanti Basu.

Aranyak Mitra,coordinator for the event started the proceedings with an inaugural speech.It was followed by a reading session where members of the Club read out their own works.Short stories and poems were read by Akash Kumar Bharti(Coordinator),Harsha Pinccha,Shreya Jha,Archisman Choudhury,Anwesha Chakraborty,Shourya Majumdar(Coordinator),Aranyak Mitra(Coordinator),Saurav Kumar,Gaurav Kumar,Aman Kumar(Coordinator),Souhadri Das,Simantini Maiti,Soham Jana,Aniket Sen,Sairath Das and Ankit Kumar.

Other than the aforementioned members,the event was attended by Kunal Kumar,Sambuddha Maitra(coordinator) and Ahmad Raza(coordinator).

Suggestions regarding future events were shared and the next event was decided to be held in November.The event was concluded with a note of optimism and the promise of more events in the future.

Activities of the Science Club

The different activities of the science club during the period September to December, 2018 are mentioned below:

1. The Science Blog was launched. Students and members of faculty have made contributions to the blog. It mainly focusses on the dissemination of science in a lucid language.
   The link to the science blog is https://scienceclubhitk.blogspot.com/.

2. A portal dedicated to science was launched which features articles that are more technical than the ones in the blog. It also accepts articles in the vernacular (Hindi and Bengali). One of the main objectives of the portal is to learn science in one's own mother tongue. Presently, there are articles in English, Bengali and Hindi, featuring separate sections pertaining to different branches in science. The link to the portal is http://www.factorial.in.net/.

3. The Science Club of Heritage Institute of Technology with an intention to spread science among the masses, hosted the induction ceremony on 2nd November 2018, followed by its first big event "Scire Disputandum" – The Science Debate, held on 3rd and 5th November 2018.
   The Induction Program mainly focused on getting the members of the science club, the remaining students and other faculty members of our college aware about the past activities, present happenings and future events proposed by some of its members. The Science Club made its first official appearance on the social platform with the launch of the FB page (on 19th September 2018), soon followed by the formation of the blog (on 30th September 2018) and the E – portal and E – magazine (on 12th October 2018).
   The event to occur just after the Induction Program, "Scire Disputandum" or the Science Debate was a unique, one of its kind debate, the first one being held in Eastern India with Heritage Institute of Technology being the first college to host it. The two day event saw a participation of 12 teams with each consisting of 2 members. In order to judge the skills of the potential debaters, the novice adjudicators were also put through an Adjudicator Test, following which only 5 were selected out of the 10 participants. The Core Adjudicator Panel, consisted of our very own 4th year college student, Sreyasha Sengupta, Jyotisman Saha and Rittika Biswas from Calcutta National Medical College and Indra Narayan Dutta, a 3rd year CSE student of Jadavpur University; each of them being eminent and highly experienced individuals belonging to the debating society.
   During the award ceremony, the Principal with words of encouragement, gave away the certificates and trophies to the winning three teams

- *Winner: Krishnendu Adhikari (ME 2nd) and Asmita Ghosh(BT 2nd)*
- *First Runners Up: Aparajita Kumari(CSE 3rd) & Navin Mundhra (CSE3rd)*
- *Second Runners Up: Sanket Mukherjee(BT 3rd) and Ranajoy Das(BT 1st)*

He also handed over prizes to the winning Adjudicators and congratulated all the students for putting up such a successful event.

Faculty Coordinators: Prof Nirman Ganguly and Moulipriya Sarkar, Department of Mathematics, Heritage Institute of Technology.

APPRECIATION CEREMONY

ORGANISED BY – NSS (National Service Scheme), Heritage

Appreciation ceremony was organised by NSS, Heritage on 25th August 2017 to honour it's active members.

Dr. Sandip Chakroborty, Dr. Chandrima Roy and Dr. Srabanti Basu(HOD, Bio-Technology) were the guest of honor.

All the head members and the executive members were given their respective batches.

President : Rohan Patel

Vice President : Kriti Chakroborty

General Seceratory : Kaushambhi Verma, Sushant Kumar

Graphic Designer : Kanak Verma

All the other active members were designated as executive members.

REPORT

ACTIVITY NAME : VISITING OF **OLD AGE HOME**

DATE: 07-08-2017

- NSS team of Heritage Institute Of Technology visited Little Sister Of The Poor, Kolkata ON **FRIENDSHIP DAY.** It was held with a motive to interact with old people and make sure that they feel special and wanted at the same time
- Our team tried to entertain them by singing songs, dancing and short plays
- Our team also helped the organization in serving food and medicines to old people
- Finally we tied them a friendship band.

Announcement !!!!

According to the count of votes, Tuesday is selected as the Final weekday for Python Hobby Group.

The first session of Python Hobby Group will be held on 12th September, 3 PM Onwards. Venue will be declared later.

The few students who will not be able to attend any class due to weekday problem, don't lose your hope. Weekly SIGKDD sessions, Workshop on Data Science with Python and all other tutorial workshops on Machine Learning, Social Network Analysis will be organized on other weekdays as well throughout this academic year.

For Python Hobby Group, Course logistics will be announced soon. Software that will be used throughout the course is Anaconda Python. Everyone install it on your computers / laptops before Tuesday.

Heritage Institute of Technology ACM Student Chapter
6 April 2017 · 🌐

Hi guys, the SIGKDD sessions will restart from tomorrow as per regular timings.
I will be presenting on Support Vector Machines - Part I. This would be followed by part II next week by Manojit Chakraborty.

Cheers,
Satyaki Sikdar

ROTA EDU FAIR
An RC-HITK initiative

Premise

Perhaps the most important aspect of India, which in turn is holding it back from transforming into a developed country, is education- or lack thereof. Most of the problems or issues in our country have one solution- a proper, all-inclusive, affordable education system. While these changes can't happen overnight, policies can't be drafted and sanctioned overnight, an effort of popularising education and encouraging children to be educated at a grassroot level will definitely lead towards the end goal.

Shishya

It's imperative that the proponents of spreading education involve students; especially students, who had the luxury to receive "good education". While it's highly debatable what the implications of "good education" is and most importantly what constitutes "good" education, Rotaract Club of Heritage Institute of Technology took it upon itself to try and spread literacy in places where it is often seen as a luxury. Shishya is an initiative, rooted in the same belief, in which members of RC-HITK teach children, belonging to lower-income households in six Literacy centers on biweekly/weekly basis. The classes not only substitute as doubt-clearing sessions from school courseworks, but also double up as friendly, communicative medium of teaching taking help of interactive learning such as gadgets, videos etc.

Rota-Edu Fair

Rota-Edu fair was conceptualized as a congregation of all our students from different Literacy centres, discussing, competing and participating in various events. But it expanded in scale eventually and turned into a platform for scientific/artistic exchange between children not limited to RC-HITK's Literacy Centers.. Coincided with World Literacy Day, preparation for Rota-Edu Fair started a few week before with each Literacy centres gearing up to showcase science/art models made by the students. The teachers selected the concepts, took suggestions from the students, ensured that they were familiar with the underlying principle of the models and encouraged them to work as a team for competing against each other and other LIteracy centers. As one would've guessed, this resulted in exceeding enthusiasm for the kids and the same was reflected on the over-enthusiastic faces waiting for their turn to explain their models to the judges/spectators and to their friends. This facilitated a mutual curiosity amongst the kids, which plain textbooks fail to achieve.

The event started with Guest Lectures by a renowned and respectable panel comprising Mr. Y.S. Jain, Head- Corporate Relations, Dr. Sandip Chatterjee, HOD, Mathematics, HITK and Rajni Mukherjee, Past District Governor (RID 3291). Although termed as "lectures", they turned out to be friendly and jovial interaction between the panelists and the children. Our students were joined by students of Autism Society of West Bengal, who also participated in events.

Following the lecture-session, lunch recess was announced for the kids during which the judges were shown the models prepared by students. Invitees from other Rotaract Club and the Rotaract District and Mr. Sanjay Duggar, President of Rotary- Calcutta Mahanagar, our sponsor Rotary Club visited the various

booths setup by our students. Each and every model was explained and demonstrated by the kids, which followed a round of Q&As from the Guests.

There were also two stalls set-up showcasing paintings and illustrations of our students and the guests were escorted there. The sheer brilliance of most of the paintings made them dumbfounded. At the same time, the young artists were brimming with pride having found the largest audience of their works till date.

The second phase of Rota-Edu Fair was named Dreamathon, which was held in association with Kalaam Center. It consisted of a drawing competition, a writing competition and Extempore to inculcate the inner talent in the children. The theme of Dreamathon was "My dream for a future India and how will I make it happen?" Everyone was surprised to see the hidden talent. These kids proved that if they get a platform, they could fly higher and higher. They realized their effective speaking potential when participated in the extempore. There was one special student too. Sourav Sardar, was a student of suryakiran classes and has cracked WBJEE 2017 and his team's model "light projector and eco friendly headphone" was the best model from that center.

The event ended with a prize-distribution ceremony, in which prizes and certificates were given to winners in different comptetion as well as to each of our literacy incharge who have been teaching these kids throughout the year. A total of 22 prizes were distributed in different categories. Since the event was focused on improving the quality of literacy, prizes consisted of books and stationery kits. The prizes were distributed by our Cdr.(Retd.) S. Dey, Campus Administrator who led the foundation of our literacy ventures, specially Suryakiran.
