Sub.: Letter of Recommendation and Statement of Service

To Whom It May Concern,

This is to certify that Judhajeet Biswas of Heritage Institute of Technology, Kolkata, has successfully completed a 2 month offline training on public electrical supply and urban electrical infrastructure with us from April 2021 to May 2021.

During this period, he has been placed in three distinct bases of our company to serve multiple reputed clients. His first assignment was conducted with **CESC Limited**, where he joined a team looking after maintenance of electrical supply and reinstallation of ageing electrical apparatus, including with the use of state of the art XLPE AB Cables across Calcutta South District (PAS Road to Taratala), Calcutta Central District (Park Street to Entally, Sealdah) and Howrah District (Railway Station up to Shibpur). His second assignment was with **India Power Corporation Limited**. He assisted in a team executing a project for setting up new electrical infrastructure in the urban industrial region spanning from Dishergarh Power Plant (DPSCL) to the residential areas of Asansol/Durgapur. This team installed PCC Poles and connections using both HT/LT electrical infrastructure. Judhajeet supervised a team of 8 field workers and worked with the site engineer at DPP IPCL. In his final project, he carried out preventive maintenance on the estates, BMOP (Bank Main Office Premises) of the **Reserve Bank of India** in multiple locations around Kolkata. This included inspection of ageing apparatus and suggestions to the Electrical Engineer at the Estate Department, RBI for their replacement. He carried out inspections under the guidance of the Chief Electrical Engineer & Dy. General Manager of Theism Engineering Co. and under the authority of His Excellency, the Regional Director, Reserve Bank of India, Kolkata.

He has shown initiative in team work and has been a keen learner.

Thanking you,

Yours sincerely,
