Chairman, Kalyan Bharti Trust

I feel proud to state that Heritage Institute of Technology (HITK), Kolkata once again won the Best Engineering College Award in the East in January 2018 from ASSOCHAM India. Moreover the Institute has been ranked No 1 in West Bengal by Education World in 2018. Like the previous year, this year also HITK had been ranked among the top 150 engineering colleges in India by National Institutional Ranking Framework, an initiative of MHRD, Govt. of India which shows our consistent performance at the National level.

This year too, The Heritage School has accomplished excellent results in the ICSE and ISC board examinations. Toppers of the examinations have maintained the tradition and brought laurels to the School. Spriha Pandey scored 99% in ICSE 2018. She was 1st in West Bengal and 3rd in India. The Heritage Academy organized various programmes like the Film Festival and Women's Day in this quarter to encourage the students by giving them significant inputs from the Industry. It is heartening to know that besides academics, students of Heritage Institute of Technology have applied their knowledge to win several prizes at the National Level in Smart India Hackathon 2018. We bade farewell with a heavy heart to Mrs. Meenakshi Atal, Vice-Principal of THS, who retired in June, 2018. She was honored for her immeasurable contribution to the institution; not only for pioneering establishment of The Heritage School, but also being instrumental in shaping the school to where it stands today.

I thank the students, staff, faculty members, fellow Trustee members, well-wishers and our alumni members for continuously supporting us in achieving our vision. In future we are planning to establish a Design Institute, as well as a University par excellence.

H.K. Chaudhary

HITK receives National Award from ASSOCHAM India

Heritage Institute of Technology, once again has been conferred with the Best Engineering Institute in India - East Award 2018 by ASSOCHAM, New Delhi on 17th February 2018.

We are proud to state that among 22 schools selected in the finals of National Aerolympics 2018 held during 8th-10th January 2018, THS secured the Runners-up position in India.

THS wins @ the 18th Edition of The Hindu Young World Quiz 2018

The Hindu Young World Quiz is one of the longest and largest live school quizzes hosted by The Hindu's Resident Quiz Master, Mr. V. V. Ramanan. The quiz was organized in the National Library, Kolkata, on 18th January 2018. In the final round, Shruto Kalyan Dey and Aditya Goswami of THS, secured the top position in the Junior category held on 24th Feb at Chennai.

Our students with the certificates and with the organizers of The Hindu Young World Quiz 2018

Hon'ble Prime Minister, Shri Narendra Modi, envisages a Digital India to bridge the digital divide in our country and further promote digital literacy and put governance within everyone's reach in India. To reiterate the efforts towards our PM's vision, MHRD, AICTE, i4C, and Persistent Systems once again organized the 2nd edition of this initiative – Smart India Hackathon 2018 on March 30 and 31, 2018.

The following students have made HITK proud in the Smart India Hackathon 2018:-

Team name- Programmatori Informatici

- **Department-** IT
- **Members-** Rohit Agarwal, Anirban Ghosh, Aishik Deb, Shruti Sinha, Aman Khandelwal and Dhruv Mundhra
- **Ministry-** Ministry of Road and Transportation and Government of Goa
- **Problem Category-** Automatized traffic Control system (Automatic Issue of Notices)
- **Prize-** 4th prize under Ministry of Road and Transportation and 1st prize under Government of Goa. Prize money of Rs 10,000

Team Name- Ciphers

- **Department-** CSE & IT
- **Members-** Deepak Prasad, Sagar Sangam, Rajat Varna, Aman Aadersh, Pritam Raj and Pratik Kumar
- **Ministry-** Department of Space (ISRO)
- **Problem Category-** Geofencing of data on NavIC /IRNS signal
- **Prize-** 4th prize with Deloitte Innovation award; In addition, the Ciphers got internship to deploy their problem at ISRO.

Team Name- SoloS

- **Department-** CSE
- **Members-** Mukul Kumar, Himanshu Kumar, Aniruddh Kumar, Ranjabati Sen, Seema Anjum, Raushan Kumar
- **Ministry-** Ministry of Railways
- **Problem Category-** Public Address System
- **Prize-** 5th prize with KPIT Innovation Award

THS creates an impression @ Times Spark 2018

Times SPARK is a scholarship under READ TO LEAD programme initiated by Times of India on 25th July 2017 to 1st Jan 2018. SPARK stands for Scholarship Programme for Awareness, Responsibility and Knowledge. This is an endeavour to encourage school students of Classes IX to XII to develop a reading habit that helps them understand about our society and environment, so that they can go on to write the future.

This time, Tanvi Surana, a student of IBDP 1st year, did the institution proud at the event.

NJIT Summer Research Programme 2008-2018

Dec 27, 2006

First meet with Prof. Durgamadhab Misra, Professor, Electrical and Computer Engineering, NJIT & Prof. Alok Chakrabarti, Former Dean and Distinguished Professor, NJIT

Summer Research Programme

2008 - 2018
Reconnection Day
January 6, 2018

NJIT 2018

The 11th batch - poised to leave

Sanniv Ganguly:

"This trip to NJIT gave me an opportunity to be independent in making my decisions and in also carrying out my research work. For the first time in my life I had the opportunity of presenting my project work before and along with scholars of other countries-a truly international experience!"

Objective:

To provide a meaningful learning and research experience to B.Tech students that will stimulate interest in seeking a better future, performing research and pursuing higher studies abroad.

flagging off the Walk

Students, teachers and staff at the Walkathon along with their posters and signages

The event created an awareness about prevention and cure of cancer. The event was also graced by the presence of Padma Shri Premalata Agarwal, the only lady mountaineer to have climbed all the summits of the mighty Everest. The oldest 93 year old and youngest 21 year old patients flagged off the event. IG Ravirandran commenced the event by igniting the torch. The completion of the Walk was followed by a magic show and a dance drama that kept the crowd thoroughly engaged.

The patients who had assembled were given a chance to speak out their thoughts which touched the crowd. The active participation of the kids through a poster competition was enlightening and educative. THS won the First prize in the poster making competition. The event concluded with the Founder Chairman, Dr. Vikash Agarwal's words on prevention and lifestyle modifications for eradicating Cancer.

Graduation

CLASS OF ANKURAN

2018

23rd of March was a big day for the children of Ankuran 3 as they were graduating to formal schooling.

The ceremony began with the lighting of the lamp. Some of the songs that the children sang were 'He has the whole world in his hands', 'We are so proud of our school', 'I have a dream', 'All things bright and beautiful' and 'Thank you, Thank you'.

The Report Card and the Graduation certificate were given away by school authorities, some of the grandparents as well as parents. It was indeed overwhelming to see the little ones move on!

Prof (Dr.) Saikat Maitra addressing the audience

The Vice Chancellor Prof. (Dr) Saikat Maitra gave an informative speech, wherein he spoke about the latest developments in science & technology related to cloud computing, block chain concept, fog computing etc. He also motivated the students to be entrepreneurs.

This year, HITK received around sixty projects from a number of engineering colleges and universities across West Bengal. The technical committee and subject experts selected fifty projects for the competition. Finally, thirty seven projects consisting of 120 students registered and took part in the competition. All the projects were demonstrated in the Institute with practical applications.

Prof. (Dr) Maitra, interacted with all the project groups and provided his valuable suggestions to the students to improve their work further. The projects were evaluated by a panel of judges which consisted of Dr. Tanushyam Chattopadhyay, Innovation Lab, TCS Ltd, Kolkata; Prof. (Dr.) R. Bhar, Department of Instrumentation Science, Jadavpur University; Dr. Amitava Majumder, Head Quality & R&D Modules, Vikram Solar Pvt. Ltd; Mr. Shibasis Dutt, CEO, Ultratech Ltd; Mr. Sarbajit Das, CEO, Sundew Solutions Pvt. Ltd; and Mr. Anupam Baid, CEO, Baid Power Solutions Pvt. Ltd.

Finally, the team comprising of students from HITK & Asansol Engg. College won the first prize followed by Gurunanak Institute & HITK as the second runners-up and Academy of Technology (AOT) & HITK as the third runners-up.

Some of the projects displayed by the students were related to solar energy, healthcare for senior citizens, disaster management and many more.

A Special Assembly was held to commemorate Earth Day on 23rd April 2018.

Over 200 students from Classes 3-8 participated in the Earth Day Special Assembly attended by the entire student body of THS. The programme began with an introduction about the climate changes that is threatening our ecosystem. This was followed by the Earth Day Anthem. The Tree Planting Ceremony (begun by Rabindranath Tagore in Santiniketan in 1936) was recreated by the students wherein a mango sapling was planted and the students sang and danced in unison to “moru bijoyer ketan urao”, “dui haather kaaler mondira” and “aye amader angoney”. The programme ended with the Vice Principal speaking to the students about the necessity of nurturing plants and trees.

Law College students attend program on International Trademark Law: IPR Perspectives

Students of Heritage Law College attended an interactive session on International Trademark Law: IPR Perspectives, organised by Bharat Chamber of Commerce in partnership with U.S. Consulate General, Kolkata on 2nd May, 2018.

The welcome address was given by Shri Sitaram Sharma, President of Bharat Chamber of Commerce. Professor Christine Haight Farley, American University, Washington School of Law was introduced by Mr. James Dragon, Public Affairs Officer, US Consulate and Director, American Center who spoke about the Fair Use of Copyright. This was followed by an interactive session.
