NOTICE

Ref: HRIT/0914/3205

Date: 01/06/2020

End-Semester Examination of Even Semester 2020 for final year B.Tech, M.Tech. and MCA students will be conducted during the month of July 2020 at the Institute premises.

End-Semester Examination of Even Semester 2020 for the 1st Year, 2nd Year and 3rd Year continuing batch of students will be conducted after the completion of the Examination of final year students at the Institute premises

The examination time table will be intimated to the students through the Institute website at least two weeks before the commencement of the Examination.

Due to the disruption of normal academic calendar as result of COVID-19 pandemic, Academic Council has decided on a revised examination pattern/format which will be only for Even Semester 2020 as an exception:

- A. Duration of each theory examination will be 2 hours.
- B. In the first part of the Question Paper, students will have to answer 20 compulsory multiple choice questions each carrying 2 marks. Each question will be followed by 4 options out of which one will be correct.
- C. In the second part of the Question Paper, there will be Four Groups, each Group will consist of two questions and each question will have 6 marks. Students will have to answer 5 questions taking at least one from each Group.
- D. Maximum marks in each theory paper thus will remain as 70.

The format and time table of Practical Examinations will be intimated later.
