KOLKATA

NOTICE

Ref: HRIT/0914/3083

24.10.2019

In an effort to improve on our endeavours to conduct all extra and co-curricular activities of students, it has been decided that an online opinion poll of students will be conducted to give all students a chance to express their preference on whether:

(i) students' council should be formed (by selection)

or

(ii) existing practice of conducting all student activities including Fest should be continued.

Considering the forthcoming festivals, class tests and other academic activities, the online opinion poll will be conducted on 22nd November, 2019.

Please follow the Institute website for further updates in due course of time.
